# THE TRUE WITNESS AND CATHOLIC CHRONICLE - FEBRUARY 16, 1865.

It should be universally known-for it is strictly true-that Indigestion is the parent of a large pro-portion of the fatal diseases. Dysentery, Diarness, Cholers Morbus, Liver Complaint, and many other diseases are enumerated in the oity sinspector's weekly catalogue of deaths, are generated by Indiweekly catalogue of deaths, are generated by indi-gestion alone. Think of that, Dyspeptics ! think of it, all who suffer from disordered atomachs, and it you are willing to be guided by advice, founded upon experience, resort at once to Hoofland's Ger-man Bitters, prepared by Dr. O. M. Jackson, for Jones & Evans, Philadelphia, which, as an altera-tive constitue and insignment stands alone and untive, curative, and invigorant, stands alone and un-approached. We have tried these Bitters, and know that they are excellent for the diseases specified above .- Philadelphia City Ilem.

These sores had been on my arm for over four years, and during that time had been continually discharging, which weakened me so much that I was unabled to leave my bed for four months. Having heard of BRISTOL'S SARSAPA-RILLA, I made up my mind to try it. I used six bottles, and with the best results; for I am now as strong and as able a workwoman as I was before having the sores

The New York Tribune says, 'the reason why Drake's Plantation Bitters are so universally used and have such an immense sale, is that they are always made up to the original standard, of highly invigorating material and of pure quality, although the prices have so largely advanced," &c. The Tribune just hits the nail on the head. The

Plantation Bitters are not only made of pare material, but the people are told what it is. The Recipe is published around each Bottle, and the bottles are not reduced in size. At losst twenty imitations and counterfeits have sprung up. They impose upon the people once and that's the last of them.

The Plantation Bitters are now used in all the Go vernment Hospitals, are recommended by the best physicians, and are warranted to produce an *inme*diate beneficial effect. Facts are stubborn things. ". . . I owe much to you, for I verily believe the Plantation Bitters have saved my life.
