A Person, eating at a boarding-house, where they furnish the toughest of beefsteaks, gave mortal of fence to his landlady by handing his plate and asking, in a loud voice, for a little of the daily board.

TARING THE CENEUS. -The following satire on the question usually asked by the consus mer. isn't, so bad as it might be: What is your age? Did you ever have the measles, and it so how many? Are you married, and if so how do you like it?" Have you a twin brother several years older than yourself? Have you palents, and if so how many of them?-What is your fighting weight? How many times has your wife 'wished she was dead,' and did you reciprocate the wish? Were you ever in the penitenciary? How many empty bottles have you in the house?.. How many chickens have you, and are they on toot or in shell? How many talse teeth have you? Is there a strawberry mark on your left arm?

Forlow Disease to 113 Sources .- Local diesease cannot be cured merely by local treatment. For example; No application to the part affected will radically cure the piles. The habit of body, which is the primary cause of the complaint, must be changed. For this purpose, BRISTOL'S SUGAR COATED PILLS, the finest vegetable alterative ever compounded, is the medicine to be used. Costiveness is almost invariably the unmediate cause of this distressing disorder. This condition of the bowels is at once changed by the action of the Pills. Indigestion and morbid action of the liver produce constipation. These, too, are swiftly remedied by this powerful vegetable agent, and the organs toned and regulated to a condition of perfect health. Thus are the symptoms and source of the disease removed together and it is at an end forever. It is the same with all the complines which come within the remedial scope of this great alterative, cathactic, and anti bilious medicine.

They are put up in glass vials, and will keep in any climate. In all cases arising from, or aggravated by impure blood, BRISTOL'S SARSAPARIL-LA should we used in connection with the Pills.

THE RESPONSIBLE ORGAN. - The stomach is responsible for more evils than were contained in Pandora's Box. Atonic, dyspepsia, or simple indigestion, is the first indication, of more than half the diseases enumerated in medical books. Meet it at once with BRISTOL'S SARSAPARILLA, the most genial tonic and corrective which the botanic kingdom has yet yielded to chemical science. Invigorate the stomach and gently stimulate its gastric action with this famous resto stive. Remember that the digestive apparatus is the primary source of vitality from which the whole body draws its supplies, and that BRIS-TOL'S SARPARILLA is a specific for the disorders that affect it. In all diseases affecting the liver, stomach, or bowels, BRISTOL'S VEGETABLE PILLS should be used at same time with the Sarsaparilla.

Used in this way it removes tan, freckles, and all superficial roughness, and in nervous headache and hysterics, its soothing odor acts like a charm. 523

A BENDFACTRESS.

Just open the door for her, and Mrs. Winslow wil prove the American Florence Nightingale of the Nursery. Of this we are so sure, that we will teach our 'Susy' to say, 'A Blessing on Mrs. Winslow, for helping her to survive and escape the griping. colicking, and teething siege. We confirm every word set forth in the Prospectus. It performs precisely what it professes to perform, every part of it' -nothing less. Away with your ! Cordial, 'Paregoric,' 'Drops,' 'Laudanum,' and every other ' Narcotic,' by which the babe is drugged into stupidity. and rendered dull and idiotic for life.

We have never seen Mrs. Winslow-know her only through the preparation of her Soothing Syrup for Children Teething.' If we had the power, we would make her, as she is, a physical saviour to the Infant Race. 25 cents a bottle. Sold by all Druggists.

S. T .- 1860. - X .- The amount of Plantation Bitters sold in one year is something startling. -They would fill Broadway six feet high, from the Park to 4th street. Drake's manufactory is one of the institutions of New York. It is said that Drake of this country a practical education in the French painted all the rocks in the Eastern States with his cabalistic "S.
