The quality of its subscription list is exceptional—an array of well-known names representing the wealth, scholarship, taste and refinement of the United States, with notable additions from Canada, England, France, Australia and South America.

Its contributions are timely and diversified, from the pens of the ablest and most agreeable writers, and they deal with every problem in American history, from the most remote period to the present hour.

To Dyspeptics.

The most common signs of Dyspepsia, or Indigestion, are an oppression at the stomach, nausea, flatulency, water-brash, heart-burn, vomiting, loss of appetite, and constipation. Dyspeptic patients suffer untold miseries, bodily and mental. They should stimulate the digestion, and secure regular daily action of the bowels, by the use of moderate doses of

Ayer's Pills.

After the bowels are regulated, one of these Pills, taken each day after dinner, is usually all that is required to complete the cure.

AYER'S PILLS are sugar-coated and purely vegetable—a pleasant, entirely safe, and reliable medicine for the cure of all disorders of the stomach and bowels. They are the best of all purgatives for family use.
