Money to Loan.

TRA-LA.

The papers that come from St. Paul, tra-la,
All say that the Inguns will rise;
These papers have got enough gall, tra-la,
If they think that their rumors appal, tra-la,
They do not cause even surprise.
And that's what we mean when we say that
they lie,
When they say that the Inguns will rise by-
and-by.

The papers that come from St. Paul, tra-la,
Have nothing to do with the case;
The reporters these stories who scrawl, tra-la,
Are liars and cheats one and all, tra-la,
They're certainly 'way off their base,
And that's what we mean when we say or we
sing
"You bet that the Inguns won't rise in the
spring."

The statement made some time ago that a \$4,000 scholarship had been given to Dartmouth on condition that no student who uses tobacco shall receive any of its benefits, is but an example of one of the many scholarships at that college. It seems that every student who applies for a scholarship at Dartmouth must sign a pledge not to use tobacco in any form while receiving aid from the college.—Harvard *Crimson*.

WOULDN'T WORK.

'Pa,' said Olivia, 'we ought to have a thermometer in the house. We don't—'

'There now!' shouted the old man, with the air of one who closes the discussion, 'I don't want to hear another word about it. If ye had one ye couldn't talk through it. Lem Haskins had one put in his house nigh a month ago, an' he's hollered himself hoarse and they've nigh about starved to death, tryin' to order their groceries through it. No good, I tell ye.'—*Burdette*

Subscriptions for 1885-6 are now due and should be sent to J. E. Jones, Treas. VARSITY, University College.
