SERVICE AT COST

The B. C. Electric Policy

What service at cost in public utilities means is that these items must be paid and the surplus, if any, returned to the public in lower rates, better service or payments to the city:

1. The cost of operation must be paid.
2. Taxes must be paid.
3. Depreciation and maintenance allowances must be paid.
4. A reasonable return on capital honestly and prudently invested must be paid.

On no other basis can progressive service be assured to the people of Vancouver.

Our Donalda Pianos are the Wonders of the Age

No such values ever came to this city before.

Not alone a piece of furniture whose lines will decorate any room, but a musical instrument that is the delight of the finished artist. They are made by a well known maker in the United States, expressly for the Hudson's Bay Company, and possess the appearance of the highest priced instrument and yet its cost (according to style) is only \$285.00, \$295.00 or \$315.00.

It has a full Iron Frame, Three Pedal Control and Ivory Keys

and is shown in a variety of styles including the Colonial Boudoir and Louis; finished in San Domingo Mahogany and Circassian walnut. Cash or easy payments.
