

Winners of Canada Export Awards 2002

On behalf of the Government of Canada, I am very pleased to present the Canada Export Awards for the year 2002 to ten Canadian companies whose outstanding achievements have helped ensure Canada's continued global leadership in trade. Big and small, these companies are international ambassadors, presenting Canada as a nation of ideas, innovation and excellence. They are a symbol of our success abroad and contribute significantly to the health of our economy. These leading

exporters generate jobs and prosperity, thus strengthening the economy not only of their own communities but also of the entire country. I extend my congratulations to the management and dedicated staff of all the winning companies. I salute these winners for their hard work and inspiration to all Canadians.

Pierre S. Pettigrew, Minister for International Trade

DECODE Entertainment Inc.

- Toronto, Ontario
- Neil Court, Partner
- **Smaller Exporter Achievement Award**

DECODE Entertainment is among the world's most innovative and successful production companies in entertainment for children and youth. Home to some of Canada's top talent, DECODE develops, produces and distributes internationally recognizable television series such as "Angela Anaconda" and "The Zack Files", as well as interactive Web projects. The company's award-winning offerings are currently seen in more than 40 countries worldwide.

General Motors Defense

- London, Ontario
- William Pettipas, Executive Director

General Motors (GM) Defense is one of the world's leading light-armoured vehicle

manufacturers, serving some of the most demanding military customers in the world. With \$4 billion in export contracts in 2001 and a landmark deal with the U.S. army, GM Defense has emerged as an exporting powerhouse. The new \$6-billion joint venture to produce armoured vehicles made in Canada for the U.S. army is the largest in company history.

NSI Global Inc.

- Pointe-Claire, Quebec
- David Ben-David, President and CEO
- **Challenging Markets Achievement Award**

In business since 1990, NSI Global is an established name in the broadband telecommunications business. NSI Global is now gaining ground in the rapidly expanding remote asset management sector. This technology enables companies to monitor industrial facilities and equipment, such as oil wellheads and trucks. NSI Global has won major clients, such as China's Ministry of Railways and PetroChina, and it experienced dramatic sales growth of 200 percent in export revenues in 2001.
