## ARTICLE 20

## Other Obligations

This Treaty shall not affect any obligation that the Contracting States may have undertaken or may undertake under any multilateral convention to which they are both party.

## ARTICLE 21

## Consultation

- The Contracting States shall consult, at the request of either, concerning the interpretation or application of this Treaty or with respect to a specific case.
- 2. Any difference that is not resolved by the Contracting States shall be the subject of negotiations as to the interpretation or application of this Treaty.
