ARTICLE II

Article II of the Convention is deleted and replaced by the following:

The High Contracting Powers agree that, to ensure the long-term conservation of migratory birds, migratory bird populations shall be managed in accord with the following conservation principles:

- To manage migratory birds internationally;
- To ensure a variety of sustainable uses;
- To sustain healthy migratory bird populations for harvesting needs;
- To provide for and protect habitat necessary for the conservation of migratory birds; and
- To restore depleted populations of migratory birds.

Means to pursue these principles may include, but are not limited to:

- Monitoring, regulation, enforcement and compliance;
- Co-operation and partnership;
- Education and information;
- Incentives for effective stewardship;
- Protection of incubating birds;
- Designation of harvest areas;
- Management of migratory birds on a population basis;
