

And the House having proceeded to the deferred question on the motion of Mr. Aiken, seconded by Mr. Ricard,—That Bill C-144, An Act to provide for the management of the water resources of Canada including research and the planning and implementation of programs relating to the conservation, development and utilization of water resources be amended by striking out clause 8 and substituting the following:

“8. Except in quantities and under conditions prescribed with respect to waste disposal in a water quality management area, no person shall deposit or permit the deposit of waste of any type in any waters or in any place under any conditions where such waste or any other waste that results from the deposit of such waste may enter any such waters.”

The said motion was negatived, on division.

And the House having proceeded to the deferred question on the motion of Mr. Aiken, seconded by Mr. Ricard,—That Bill C-144, An Act to provide for the management of the water resources of Canada including research and the planning and implementation of programs relating to the conservation, development and utilization of water resources be amended by striking out lines 22 to 25, both inclusive, page 16 thereof, and substituting therefor in clause 13 (3)

“(c) undertake the collection of effluent discharge fees prescribed to be payable by any person for the deposit of waste in those waters but in no case shall an effluent discharge fee be collected for the deposit of waste in respect of any project commenced after the establishment of the agency.”

The said motion was negatived on the following division:

YEAS
