AIR TRANSPORT

EPA APPLICATION FOR HALIFAX-TORONTO ROUTE—MOTION UNDER S.O. 43

Mr. J. M. Forrestall (Dartmouth-Halifax East): Madam Speaker, under the provisions of Standing Order 43 I wish to move a motion of some urgency. As a result of the decision of the Canadian Transport Commission last Wednesday not to grant Eastern Provincial Airways authority to operate the Halifax-Toronto route, and considering the very serious adverse economic implications of this decision on the economies of a number of Atlantic communities, I move, seconded by the hon. member for Halifax West (Mr. Crosby):

That this House records its support for Eastern Provincial Airways in its appeal application to the cabinet, thereby ensuring the continued stable economic growth of many communities in eastern Canada.

Madam Speaker: Such a motion requires the unanimous consent of the House. Do I have the unanimous consent of the House?

Some hon. Members: Agreed.

Some hon. Members: No.

NATIONAL UNITY

SPEECH FROM THE THRONE—CALL FOR RESIGNATION OF GOVERNMENT—MOTION UNDER S.O. 43

Mr. Arnold Malone (Crowfoot): Madam Speaker, I rise on a matter of urgent and pressing necessity under the provisions of Standing Order 43.

In light of the vicious, insulting and divisive Speech from the Throne which can do nothing except further alienate western Canadians, I move, seconded by the hon. member for Wetaskiwin (Mr. Schellenberger):

That in the interest of the unity of the nation, the Prime Minister and his cabinet resign.

Some hon. Members: Hear, hear!

INDUSTRY

MANUFACTURE OF NEW FIGHTER AIRCRAFT—LOCATION OF PLANTS—MOTION UNDER S.O. 43

Mr. Mark Rose (Mission-Port Moody): Madam Speaker, I rise, under the provisions of Standing Order 43, on a matter of urgent and pressing necessity.

In view of the fact that the signing of the new fighter aircraft contract is reported to have deprived British Columbia, and particularly the community of Mission, in my riding, of some 450 possible jobs, and since out of an estimated \$2.9 billion in industrial benefits, only some \$400 million is to be spent outside of Ontario and Quebec, I move, seconded by the hon. member for New Westminster-Coquitlam (Miss Jewett):

That the Minister of Industry, Trade and Commerce, and the Minister of National Defence, if and when arrangements are completed for the manufacturing of the new fighter aircraft, take steps to ensure that a fairer share of the industrial benefits shall be allotted to provinces other than those in central Canada.

Some hon. Members: Hear, hear!

Madam Speaker: Such a motion requires the unanimous consent of the House. Do I have the unanimous consent of the House?

Some hon. Members: Agreed.

Mr. Tom Cossitt (Leeds-Grenville): Madam Speaker, I rise, under the provisions of Standing Order 43, to request the permission of the House to move a motion which is of such a non-political nature and in accordance with the views on all sides of this House, and seconded by a member of the Liberal party, that I hope it will receive unanimous consent.

I refer specifically to Mr. Kenneth Taylor, the former Canadian ambassador to Iran, and his courageous performance in that country which has been a credit to Canada, and also the fact that he has contributed greatly to Canada-United States relations and has been honoured by a special medal struck on the authorization of both Houses of the American Congress. I move, seconded by the hon. member for Ottawa-Vanier (Mr. Gauthier):

That the House of Commons respectfully recommends to the selection committee of the Order of Canada that it consider dispensing with the customary procedures and recommends to His Excellency the Governor General of Canada that Mr. Kenneth Taylor be invested with the Order of Canada.
