Dear Sir:-

I wish to acknowledge your letter of November 29th, and in this connection I have taken the matter up with the Militia Department at Ottawa.

There seems to have been a good deal of dissatisfaction with the way in which our Military authorities dealt with the cadets. However, I hope that you may be able to get this case of yours adjusted in a satisfactory manner.

With all good wishes and hoping that you will soon be out of hospital and have good health for many years to come,

I am,

Ever yours faithfully,

Principal.
