WINTER ADDRESS
LA MALBAIE

My Dear General

I may be found here until further notice.
I should like also, to urge you to take an adequate
holiday. The only substantial compensation we
have in the University is the long vacation and it is
exceedingly poor University policy not to
take advantage of it. I need not say
that if there is anything I can do to relieve ab.
anytime, I shall be glad to do it.
Yours sincerely
Max Kay
