DEPARTMENT OF PHILOSOPHY  
AND PSYCHOLOGY

*Emerson Hall  
Cambridge, Massachusetts*

May 10, 1929

My dear Dr. Martin:-

I regret to say that we can be of little help to you with regard to Mr. Porteous and Professor Hendel. Mr. Porteous is known to us only by hearsay and of Professor Hendel we know very little except for his publications.

If we could be of assistance by suggesting other possible candidates for your position, we should be glad to do that.

Sincerely yours,

*C. I. Lewis*
