Inspection

24th February, 1933.

Dear Sir Arthur,

I understand that the Annual Inspection of the McGill Contingent C.O.T.C. will take place a few weeks from now (tentative date 21st March) in our Armoury, where the Contingent has been training this season.

May I extend to you, the staff and the military board of the University, together with any friends they may wish to bring with them, a cordial invitation to make use of the Armoury and Officers' Mess on that occasion.

I appreciate how encouraging it is to have a good "gallery" and anything that we are able to do to assist the C.O.T.C. we will gladly undertake.

Yours faithfully,

General Sir Arthur W. Currie, G.C.M.G., K.C.B.,
McGill University,
Sherbrooke Street West,
Montreal.
