St. Michaels, intermediate Intercollegiate champions, opened the season with a win over Varsity seconds at the stadium yesterday. St. Michaels led at the quarter, 10 to 1; at the half, 15 to 6; at the three-quarters, 17 to 13, and at full time,

The kicking honors were about even, with both back lines making mistakes that were costly. Varsity tried the old two-bucks-and-a-kick thruout, but the strong St. Michaels line held them well, and the U. of T. boys failed to make their yards on any occasion.

Broderick did some effective booting for the winners, dropping over two goals from the field.

The Saints were all over Varsity in the first half, but the blue and white squad rallied in the third round and made it interesting for a few minutes.

Broderick opened the scoring by dropping one over the bar in the first minute of play. "Gamey" Stratton got away for ten yards, and then Saunders booted to the deadline for Varsity's first point. The Saints bucked for yards, and Broderick kicked for a point. Varsity lost possession on the first down, and Broderick's boot added another. Drope-fumbled ten yards out, but St. Michaels lost possession, and Varsity failed to make yards. The Saints had it right on Varsity's line, but couldn't buck over. Saunders hoisted to centre. The Saints bucked successfully, and Saunders was given a bad pass, Malone stealing the ball and going over fog the first try. It was not converted, and the quarter-time score was 10 to 1. Saunders tore off a couple of good runs at the start of the second quarter, and went over for a try, that was not converted. This boosted Varsity's points to 6. Varsity lost possession ten yards out for interference, and the Saints carried it over, only to be called back for the same offence. The Saints had the better of a punting duel. Corkery ran it back ten yards, but Drope returned Broderick's kick to the forty-yard line. Broderick's kick to the forty-yard line. Broderick's dropped another goal on the first down. Drope stole the ball on a Varsity back, and Feeney went over for a try, that was converted. Sinclair ran for thirty-five yards. Varsity and the Saints scored single points, and te three-quarter score was 17 to 13.

The Hamilton Papers On Rugby Situation

Herald: Some of the Tigers' efforts at tackling were ridiculous, and their defeat was partly accounted for by their failure to bring down the ball-carrier. It was not uncommon to see half a dozen jungle wings strewn about the field after attempting a tackle with the Arge back. tempting a tackle with the Argo back being brought down by one of the local halfbacks.

Spectator: Victory went to a good team. No matter the score in the game at Toronto, and no matter the narrow margin of Saturday's victory, credit must te given to the Toronto outfit. They played football from the drop of the hat. Throwing a big heavy team on the field, with a mighty wing line and three fast, clever halfbacks, they went at the game with much determination.

Times: There will be doing in the Tiger camp this week. In fact the doings started on Saturday night, after the defeat by the Argos had sunk in, and the Tiger officials had been brought to the realization that the Tigers of 1914 were not the jungle terrors of 1913. When the yellow and black face Ottawa next week it will be a rejuvenated team. If present intentions are carried out, and The Times learned that they would be. Johnny McKelvie will be the only halfback who played Saturday who will be in condition to figure on the line-up.

After the game in Ottawa on Saturday, Ross Craig, who went down with the Rowing Club as coach, stated that the 5t. Patricks were a whole lot faster than the team that Ottawa beat Tigers with last season. Craig stated that the back division was really strong, and he thinks that after the win on Saturday the Rowing Club should have little or no trouble in going thru to the Canadian champion-ship.

August J. Herrmann, owner of the Cincinnati Reds, is loath to believe that Heinite Groh, the little second baseman, has jumped to the Feds. "Heinie was absolutely contented with my team," said Mr. Hermann, "and he could not jump even if he wished to, for he is bound by a contract in which the tenneday notice of contract in which the ten-day notice of

John Heydler, secretary of the National League declared that no attempt what-ever would be made by his organization to win any players from the Feds. Mr. Heyder said that the National League intended to be absolutely consistent in its stand against contract jumpers.

RUGBY GOSSIP

It is rumored that Doyle and Canfield are back with the Varsity squad again and that they will be out to practice to-

A Cambridge, Mass., despatch says: Seven Canadian football players today coached the Harvard football squad in the Rugby style of passing the ball. The visitors, who are members of the football team of the Hamilton Rowing Club, will work with the crimson candidates for three days.

The Argonauts will take a big crowd down to Montreal for Saturday's game. The scullers should just about beat the M.A.A.A. squad after Saturday's great win in Hamilton.

The resignation of Captain Eimer Busch of the Carlisle Indian football team was forced by the coaches and other officials of the redskin eleven for the good of the team. Busch was looked upon as a handicap to the spirit of the organization, and had not only not played the game of which he is capable, but at the least failed to arouse enthusiasm in his men. The crisis became pointed Thursday night at a blackboard talk, when Busch's attitude is alleged to have been disrespectful to the coach. No successor has been elected. This is the first time in the history of the Indian school that such action has been taken. Busch was last year spoken of by a number of writers as a probable all-American guard for this season.

Sporting Sditor World: A fast Hamilton team, averaging about 120 pounds, would like to arrange an exhibition game with a Toronto team for Saturday, Oct. 24. Address communications to R. Morris, 31 Park street, Hamilton.

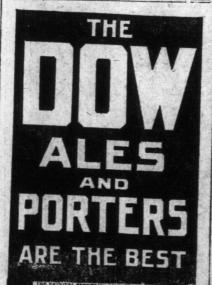

Ottawa Citizen: St. Patricks, the beaten Saturday, are far from discouraged. They play their next game against the Hamilton Rowing Club at the Ambitious City on Saturday next, and will then have an opportunity of turning the tables. Manager Martin Kilt believes that they can do so, on a fast field. The majority of the critics who witnessed Saturday's game at Lansdowne Park can see only Hamilton in the O.R.F.U. race, but the Irish men may spring a surprise. Ottawa Citizen : St. Patricks, the beat

ing a big heavy team on the field, with a mighty wing line and three fast, clever halfbacks, they went at the game with much determination.

The Tigers should benefit largely from Saturday's defeat. It means harder work in landing the Big Four championship, but also adds more interest to the race. The need for men like Isbister, Mallett, Craig and others is apparent.

Glad Murphy sure distinguished himself to the Hamilton fans as one of the best football players in the game. Murphy plays well in every game, but it is doubtful if he ever played a better game than he did op Saturday.

Ensign Cottrell and Bill Martin, pitcher and infielder of the Braves, who joined the Boston team in time to be rated as world series eligibles, are much put out because a full share of the winners' portion has been denied them. The recruits received \$500 apiece, which their fellow players considered ample in view of the fact that neither man did anything in particular toward bringing the pennant to Boston. The two players in question may take an appeal to the National Commission, which has ruled that all the men eligible for the series shall share equally.

for To Arrange Tankard and District Cup Groups, Discuss Rules and Elect Officers.

Curling reward comes today to J. A. MacFadden of the Toronto Club when it is his turn to become president of the Ontario Association at the semi-annual or October meeting that opens at 11 o'clock this morning at the Victoria Club. Charlie Turnbull of the Galt Granites will go up one, being now second vice, and the man who gets his position in the course of time becomes the presiding officer of the Ontario Curling Association. That's been the custom for seasons, and a good one that will scarcely meet with change.

President T. H. Brunton of Newmarket will wear his medal of office, will occupy the chair today, being the first presiding officer to be so decorated.

It is in order to discuss the rules, but no amendments calling for radical changes have been made, and the meeting in this respect will be short and sweet.

The official plans of grouning for the

ing in this respect will be short and sweet.

The official plans of grouping for the Tankard and district cup as given below will come up for final adjudication, and it is hardly likely that there will be any serious change.
