Special Direct Copyrighted Cable to Between Oct. 25 and Nov. 4, the Rus- porting to police stations for transport sians captured on their centre 274 of-ficers, 18,500 troops, 3 howitzers, 40 are bringing with them blankets, sheets are bringing with them blankets, sheets and other incidentals, as advised in the police order.

The Ruhleben camp has hitherto been used principally for Russian GERMAN PROPAGANDA prisoners, only about one hundred Englishmen having been confined there, all of whom were subject to suspicion for one reason or another. The quarters at Ruhleben comprise well-built stables for the most part. and bedsteads have supplanted straw mattresses which were supplied captives in the early days of the war. t is in answer to the action of the British Government that this new order was promulgated, says the police pronunciamento. The German 'Government has resorted to it reluctantly says the order, but now feels that it is escential.

Englishmen are proceeding to Ruhleben under guard from many parts of Germany. The largest group has come from Hamburg, numbering about 1400 persons, of whom 300 are residents, and the rest, mostly seafaring men, were taken off the ships in the harbor. Men of influenial position and wealth are included in the 300 residents. From, Dresden 100 more have come. Hanover sent 80. Berlin 500 and from the suburbs of the capital another 500 have gathered. Soon there will be the largest "camp de miserie" at Ruhleben which has vet been established by any of the belligerent nations for non-combatants. The English church in Berlin is
