**Commercial Summary.**

The Halifax Banking Co. has declared a half-  
yearly dividend of 2½ per cent.

FIFTEEN new paper mills were built in the  
Western States last year.

The number of failures in Canada last week  
was 11, an increase of 3 as compared with the  
week previous.

A St. FRANÇOIS XAVIER STREET speculator, who  
has been on the right side several times of late  
says, "That French bank, the 'Union Generale,  
is a bourse-ted concern;" but he promises to  
do better next time.

A St. JOHN, N.B., despatch says:—Charles  
King, who was doing a grocery business across  
the marsh bridge, has joined the exodus. His  
liabilities are placed at \$2,000; assets small, as  
was also his capital.

The Union Bank of Lower Canada have  
commenced business in their Winnipeg branch  
office, with Mr. Charles A. Boxer as manager.

THE London (Ont.) Board of Trade have  
resolved to petition the Government to appoint  
an additional Appraiser in the Custom House  
in that city to be dry goods expert. This, it is  
stated, is found necessary owing to the increase  
of business.

THE Oshawa Furniture Company, who open-  
ed a branch in this city about a year ago, has  
to face losses thereby estimated at from \$7,000  
to \$10,000. The well-known auction firm of  
Shaw & Gowdey has now taken it in hand,  
and will probably clear off most of the stock  
before the expiration of the lease of the ware-  
house in May next.

A BILL of sale of the buildings, machinery,  
stock, etc., of the Nova Scotia Sugar Refinery,  
in favor of the Merchants' Bank of Halifax,  
amounting in value to \$460,000, has been placed  
on record in the Registrar's office at Halifax.

SEVERAL municipalities in Ontario, including  
the Village of Teeswater and the townships  
of Derby and Holland, County Grey, have re-  
cently adopted petitions to the Legislative  
Assembly in favor of the agreement for the  
operating of the Toronto, Grey and Bruce rail-  
way by the Grand Trunk.
