# ONLY TWO FAVORITES WIN ON THURSDAY AT HAMILTON

## Candle and Idle Michael Only Public Choices to Win—Schemer Beat Good Field in Feature Race—Martian and Harry Bassett II. at Last Are Winners.

By a Staff Reporter.

HAMILTON, July 29.—The fifth day of the Hamilton Jockey Club's meeting brought out another fine crowd, the weather being fine and warm. Tho the track was slow from Wednesday's rain it began to dry up as the day went by and should be fast for Friday's races.

Long price winners took down five out of the seven races, the only favorites to get home first being Candle in the first race and Idle Michael in the steeplechase, and the books were good winners on the day.

The feature race was the Brantford Handicap at one mile, over the turf course, which brought out a good field of horses and was won by N. Macfarlane's much improved horse, Schemer. He was one of the outsiders in the betting. The talent went to Water Lady, also Pardner and Brave Cunarder, coupled as the Bedwell entry, and Recoil of the Thorncliffe stable was also played to win, but in the race it was Water Lady and Schemer all the way, the Montreal horse winning easily in the run home, three lengths in front of Water Lady, with the latter some distance ahead of Recoil.

The next race of importance was the Toronto Handicap, the fourth event, and was won by that good little racer Brandy Wine.

Tom Bird broke his string of bad luck with Martian in the fifth race. This hard luck horse, who has been nosed out of first money in a dozen races, went into the lead at the break and made every post a winning one, having a margin of three lengths over Dick's Pet at the wire.

Harry Bassett II., another horse that has tried at least twenty times in his racing career to win, finally struck a soft spot in the second race, for maidens foaled in Canada. He was off in front and led all the way. Summary:

### FEDERAL PLAYERS FINED.

CHICAGO, July 29.—Fines ranging from $50 to $250 today were imposed upon the three players who yesterday attacked Umpire Corcoran in the games at Kansas City between the Kansas City and Brooklyn Federal Clubs, according to an announcement made by President Gilmore.

The players who were named by Mr. Gilmore, with the amount of the fines, are: George Stovall, manager of the Kansas City Club, $250; Lee Magee, manager of the Brooklyn Club, $150, and Benny Kauff, centrefielder for the Brooklyn Club, $50.

It is claimed that Stovall struck Umpire Corcoran after a decision in the first game when the umpire called two of the Brooklyn base runners safe.

Manager Magee objected to a decision on balls and strikes in the second game while Kauff was at bat, and attacked the umpire, who retaliated by hitting Magee. Kauff then went to the assistance of his manager.

In addition to the fines imposed upon Managers Stovall and Magee, President Gilmore said he had suspended both players indefinitely.

### I. A. A. SUMMER REGATTA POSTPONED.

The Island Aquatic Association have postponed their summer regatta, which was to have taken place next Saturday, July 31st, owing to a number of their paddlers being away, and some of their senior paddlers racing at other regattas.

## GOOD TO CHOICE WERE IN DEMAND

### Steady Prices for Quality, But Others Were Poor Sale.

### LAMBS QUOTED LOWER

### Veal Calves, Sheep and Hogs, However, Kept Up Firm.

Receipts of live stock at the Union Stock Yards on Thursday were 75 carloads, comprising 318 cattle, 1257 hogs, 560 sheep and lambs, 47 calves and 800 American horses bought by the French Government and being shipped via Canada.

Not many cattle, but seemingly enough, as we saw sellers hunting for buyers to come and buy so that they might make a clearance, but this was for some half-finished animals that should have been at home on grass. Anything approaching a good to choice quality was in demand at steady prices.

Stockers and feeders of good quality were sold at steady values.

The milkers and springers of choice quality sold readily at firm prices; one cow sold at an even hundred, while another brought one hundred and ten.

Veal calves, sheep and hogs were steady at Wednesday values, but lambs were about 25c per cwt. lower.

## FAIR STRENGTH SHOWN BY MONTREAL STOCKS

### Several of Group of War Specialties Reached High Levels.

MONTREAL, July 29.—While the movement was less spectacular than on earlier days of the week, the general trend of the local stock market continued upward today, and a number of the prominent issues broke into new high ground for the year. Such issues included Iron at 37 7-8, Iron pfd. at 88¼, Scotia at 75 1-4, Steel of Canada at 25 1-4, Steel of Canada pfd at 79½ and Canadian General Electric at 97 with broken lots touching par. With the exception of Car which broke to 94 against a recent high of 108½, other stocks prominent thru the week held very close to their best prices. The market for Car being now transferred to New York, the weakness in that issue exerted no influence. Business was again active, upwards of 8300 shares of listed stock, exclusive of mines changing hands, a total slightly in excess of the previous day, but below the turnover of either Monday or Tuesday.

The general market continued but slightly affected by the strength of the war issues. A demand for Laurentide developed, that stock going up 3 points from the 160 minimum. Power rose a small fraction but was quiet.

Swift's "Red Steer" Fertilizers

It Pays to Use Them

THE application of SWIFT'S FERTILIZERS will make your lawn more velvety, protect it from burning out in the summer and give it a much earlier start in the spring.

Why buy your vegetables this summer when you can grow some in your lot with the application of SWIFT'S FERTILIZERS? Stable manure is a very good fertilizer, but it does not contain all the available plant food elements required by the plants.

SWIFT'S RED STEER HIGH-GRADE FERTILIZER contains a liberal supply of available plant food. It will enrich your soil and enable you to grow more and better vegetables.
