PUBLIC OWNERSHIP AN APPEAL According to The Globe, a member of the Dominion parliament, who advocates public ownership and control, and the regulation of private companies ugly when made up. who have contracted to perform public services, is a "charlatan and semagog." To do so, in its opinion, is to offend against all the decencies of politics and tailored garments you first ments to maintain prices, which were LET THE TRIAL GO ON.

County Crown Attorney Curry has made a bold and popular stroke in probing the business of alleged combinations in several lines of trade. The plumbers were the first to come under the official eye, and the public will not countenance any delay in getting to the bottom of the alleged conspiracy to boom prices and to crush out opposition.

But in the meantime there is said to be an effort to head off the investigation by submitting the whole question by submitting the whole question by submitting the whole question be an effort to head off the investigation by submitting the whole question be to play the part of a demagog, but the condition. As a direct vanity and irresponsible political ambition. As a demagor in the secondary meaning now current, is an unprincipled political agiting to the individuality. You don't buy individuality. You don't buy individuality. You don't buy a pig in a poke, nor take a to demonstrate that the motive prompt-

months in digging for evidence and end in taking no action of against those who may have been guilty of an infraction of the law which forbids combinaging no behalf of public ownership in the courts.

If there is to be a commission it need not interfere with the full and in complete probing of the Plumbers' Association, independently conducted by the crown authorities. The commission is not thing, but the administration of the law is another, and there would be another, and there would be no justification in the letting up of the criminal proceedings already institute by the crown authorities to enable a broader enquiry to be carried on.

THE ALBERTA GERRYMANDER.

If the case that in prosecuting a campaign on behalf of public ownership and remarked with may not be a pleasant thought. The ALBERTA GERRYMANDER.

If the case that in prosecuting a campaign on behalf of public ownership in Great Britain and complete probing of the Plumbers' Association, independently conducted by the crown authorities to enable a broader enquiry to be carried on.

THE ALBERTA GERRYMANDER.

If the case that in prosecuting a campaign on behalf of public ownership and prejudices of the people is and control of monopolies, appeal is mad control of monopolies, appeal is mad control of trade. Let the prosecution of the law is and prejudices of the people?

Hazell's Annual for the United Kingdon

One tobacco company has over a hundred branches. Where monopolies do not exist in the retail trade combines are generally arranged to control prices. The bakers, for instance, have a price list, and should any baker break away from it he is speedily starved out by the combination of the other bakers to reduce prices still lower. After he is disposed of the price o of the prices are raised again. The larger breweries have almost wiped out the private publican by taking over licenses thru their nominees, and converting public houses into what are called "tied houses," bound to sell only particular kinds of licenses and converting the convertion of the convertin particular kinds of liquor. Some of the large millers are getting a sim'lar con-

shops, or by granting credit on condi--- Palpitation and irregular tion of exclusive dealing.
