

What are you going to receive as a Christmas gift, my pretty maid? Will it be some little article that will decorate your boudoir mantel for a period or something that will add charm and style and comfort to your costume—something useful as well as ornamental?

If it is a real sensible friend the gift will be a fur garment from Dineen—a tie or muff or scarf.

And Dineen's label on the article makes it for more valuable than what it really appears to be, for Dineen is known for quality furs the continent over.

Shop early—that is the word at Christmas time.

The show cases are packed with dainty little fur garments that would make splendid presents.

Call to-day at the big show rooms.

COMMERCIAL TRAVELERS A PREY
10,000 a Year Become Victims of
Liquor Traffic, It Is Claimed.

Yesterday was commercial travelers' day in the series of meetings of the Canadian Temperance League in Massey Hall. The chair was occupied by Ben Fletcher, manufacturer, who said he did not employ any man who drank whiskey or any boy who smoked cigars. "The marks on the fingers" were sufficient to close out a situation to any juvenile who made application.

The speaker was Chas. H. Palmer of Chicago, field superintendent of the Christian Commercial Travelers' Men's association, an organization numbering 6000 in North America. He had been a commercial traveler for twenty-five years.

The evils of the liquor traffic, he said, demanded as its price the ruin of the brightest men in the commercial travelers' ranks every year.

There were 115 signed the pledge, making a total of 635 during the last three Sundays.

NEW CHURCH DEDICATED.
Will Be Open Every Night and Has Unique Plans.

The new Davenport Presbyterian Church was dedicated yesterday by Rev. Prof. Bullantyne.

The church was taxed to its capacity, over 300 people being present.

It is provided with a reading-room, young men's room and ladies' parlor, with a large basement for an amusement room.

It will be open to the public every night, and to encourage the younger element an open-air skating rink will be provided in the rear, which in summer will be used as a bowling green and tennis lawn.

First Time in America.
The members of the English Grand Concert Co. arrived in Toronto yesterday.

A feature of the program will be the violin number, "Meditation" (Schubert) (Tchadikowsky), by Madame Beatrice Langley, which will be heard to-night for the first time in America.

Madame Langley's two violins, by the way, are valued at \$2000. One of them is 465 years old.
