The first round of nine holes was the most spectacular of the long straight of both senior and junior Lyon. The approach was also a revelation to local enthusiasts. There was little difference in the play of the first and second rounds, far as the Lyons were concerned, setting in putting. In the final round, the elder and younger Lyon had 71 and 72 respectively, but in the final hole, but in the final round their scores were 45 in both, as compared with 39 for George Lyon.

HAMILTON BEAVERS BUMPED BY BRANTS

HAMILTON, Sept. 29.—Brantford defeated the Beavers here Saturday afternoon by a score of 6 to 2, before a crowd of fans that numbered close to 2,000. Another game will have to be played, however, to decide which team will meet Kitchener in the climax of the O. A. B. A. pennant, owing to the fact that Brantford was successful in preventing the Beavers' former win, and it will likely be played on Wednesday at Galt.

Johnson was responsible for the Beavers' defeat, his underhand delivery being effective at all times. He also made a one-handed stab of a liner and killed a last minute attack of the Beavers by starting a double play from Sullivan, who went to the first point for Maitlands in the first quarter. Maitlands annexed two more in the second period, and secured another pair of points in the third. There was no score in the final quarter.

St. Kitts now have a three-goal lead to overcome when they meet the Maitlands down the lake next Saturday.

MUTT AND JEFF.—Evidently Jeff's Dog Fights Like the Russian Army.

"I'VE GOT A NICE TRENCH TO FIGHT IN, GET THREE SQUARE MEALS A DAY AND GET PAID REGULARLY, SO WHY SHOULDN'T I TAKE PITY ON A POOR HOMELESS MUTT?"

"THEY'VE GOT A LOT OF THOSE BIG TRAINED DOGS THAT THEY USE IN THE SERVICE AT THE FRONT BUT THERE'S NO PLAY IN THEIR MAKE-UP. I PREFER DOGS THAT ARE PUPPY-LIKE! HELLO! THERE'S MUTT."

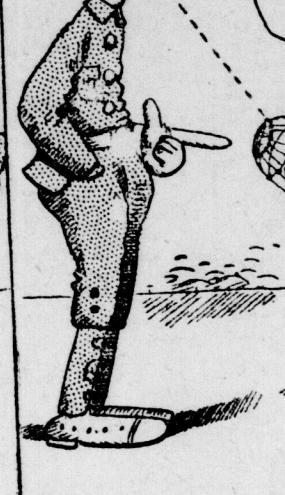

"IT'S THIS WAY, MUTT. I LIKE A DOG FOR A PET; NOT ONE OF THOSE WAR DOGS BUT ONE LIKE THIS LITTLE CHAP."

"HE'S CERTAINLY A FUNNY LOOKING HOUND!"

"BUT HAVEN'T YOU GOT RATHER A LARGE SUZZLE ON HIM TO KEEP HIM FROM BITING?"

"I DIDN'T GET IT TO KEEP HIM FROM BITING."

"I GOT IT TO KEEP HIM FROM GETTING BIT!"

STRATFORD BALL TEAM DEFEATS PALMERSTON

STRATFORD, Sept. 29.—In an interesting game of ball on the Collegiate flats on Saturday afternoon the local baseball team defeated Palmerston by a score of 9 to 4. The meritorious play of the Stratford team had not been used for some time and had become rough, making the game in the seventh inning, when three runs were scored. Up to that time the score was fairly even, but only postponed for a time the decision as to what form the circuit will take. There was no season today of the National Hockey League, this being the National Hockey Association's day.

The Ontario club's franchise, which has not been operated since the 22nd Battalion had it dropping out before completing the 1918-19 season, was represented by Thomas Wall. Tommy Quinn represented Ottawa, and Percy Quinn of Toronto, who has purchased the Quebec franchise, was present as well as M. J. Quinn, who formerly controlled the Quebec franchise. This transfer was ratified, but as the association will not operate, the franchise will be of little use to Mr. Quinn. The directors were elected as follows: Canadians, George Kennedy; Wanderers, S. Lichtenheim; Toronto, Eddie

UNCERTAIN OUTLOOK FOR PROFESSIONAL HOCKEY IN CANADA

No Decision as to Circuit Reached at Montreal.

Montreal, Sept. 28.—The tangle existing over the professional hockey outlook in the coming winter was not by any means unraveled at the meeting of the professional hockey owners and promoters held here this afternoon. The only definite decision reached was that the National Hockey Association, which suspended before the beginning of last season, as the result of legal difficulties with Eddie Livingstone, would remain in abeyance this coming season also. The meeting was in session for about an hour, and this, according to announcement of President Frank Calder, was the only business done. This does not mean, of course, that there will be no professional hockey, but only postpones for a time the decision as to what form the circuit will take. There was no season today of the National Hockey League, this being the National Hockey Association's day.

MAY ARRANGE RUGBY GAMES BETWEEN TWO MILITARY DISTRICTS

Inter-District Contests Likely Throughout Canada.

If Major Forbes, president of the sports committee of the Western Ontario regiment, can get in touch with the football promoters of Military District No. 2, he will endeavor to arrange inter-military district rugby games for the coming months. Sport officials in Toronto have not yet broached the subject of inter-district contests, seeming to be content with a schedule of purely local games. Upon a suggestion of The Advertiser, a series of games among military districts all over Canada be arranged, and the winners of the eastern section play off with the winners of the western section. Major Forbes declared he was very much in favor of such an arrangement.

Lieut. Harry Fleming, manager of the Niagara camp rugby team, and Major Forbes came to a satisfactory agreement in connection with the proposed formation of an inter-district league, the winners of the London, Toronto and Kingston districts would play off with the champions of the Quebec and Ottawa sections. Similarly, the champions of western military districts could be determined, and the eastern and western leaders play off to start the ball rolling. Local football officials must get in touch with Quebec and Ottawa sections. If such an arrangement is favorable to Queen City authorities, a schedule will be drawn up and games started about the middle of next month.

SAFETY VS. PUBLICITY

Time was when ballplayers considered newspapers their best friends. The journals no longer enjoy that distinction, however, having been ousted from the enviable position by U. S. shipyards.

The Victory Loan will shortly be crashing into the Hindenburg line. Its four main points are: 1. Buy. 2. Save. 3. Spend. 4. Conserve. (Referee's whistle.) All up. First down. Berlin.

NAMES AND MANES

Prevaricate finished in the muck at Havre de Grace on Friday, but George Smith could do no better, "all running" in the third event.

Hugh Jennings has announced that he will join the Knights of Columbus force in the "killing" habit as bad as the majority of Detroiters, he is worth more than an army corps to the Allies.

Babe Ruth must be in a slump. He hasn't made a hit since September 8.

"Hindenburg's lyn" is a phrase that has become just as familiar as "Hindenburg's line."

Bulgarian N. C. Os. were reported to have been defeated in large numbers last week. With them, the word "non-com" evidently means non-combatant.

The son of Out of Reach raced the mile and a furlong in 1:50 4-5, carrying 123 pounds, and when he drew away with ridiculous ease in the last furlong, it made his victory a very impressive one.

It was a day of thrilling finishes, and three of the races were decided by inches, when M. J. Byng beat Wonder Man, Barry Shannon beat Smokey Money and Herodias just nosed out Phantom Maid.

The steeplechase of the afternoon was a thorough one, and Snapdragon II did not have much to spare when he improved mightily to win the opening sprint of the afternoon.

A big crowd was out for the last day of the meeting, and the weather and track conditions were excellent for the sport.

SOME STRETCH! Irvin Cobb compares the game of war to baseball. There may be grounds for the comparison, but we bet that even Irvin would have to stretch his imagination quite a bit to stretch ballplayers in the role of warriors.

FAMOUS HAS BEENS.

Ball, beer, and Bolsheviki. An ardent fan wishes to know when Willard will fight Dempsey. Just as soon as a toy Pekinese enters the ring with a royal Bengal tiger.

WE ARE OFF TO FRANCE!

Just as the United States seems about to go bone-dry, Uncle Sam's nephews are reveling in Champagne and Moselle.

Ted Meredith says athletics will win the war. Quite likely, but not the American League.

GEORGE SMITH HERO OF AQUEDUCT RACE CARD ON SATURDAY

Defeats Cream of Turf in the Edgemore Handicap.

New York, Sept. 29.—George Smith, John Sanford's Kentucky Derby winner of two years ago, was the hero of the last day of racing at Aqueduct course Saturday, when in a well-run race he was the winner of the Edgemore handicap over a mile and a furlong. The favorite, a good one as War Cloud, Roamer, Spur and Daddy's Choice.

The son of Out of Reach raced the mile and a furlong in 1:50 4-5, carrying 123 pounds, and when he drew away with ridiculous ease in the last furlong, it made his victory a very impressive one.

Saddle Rides the Canadian-Owned Horses to Victory.

Havre de Grace, Sept. 30.—Commander Ross' great horses came once more into their own and had a field day. Caded, the 4-year-old son of Bromstick, showed that he had regained his form, when he carried 122 pounds and defeated small field in the liberty handicap at a mile and 70 yards.

Saddle waited patiently with the top weight until the stretch and then ran over Red Sox, the only pacemaker. It was a case in which handicapping failed to bring the contenders together, for Red Sox had to carry the feather of 84 pounds, and was in receipt of 45 pounds from the winner. Billy Kelly, the 2-year-old king of the Ross stable, had in preparation for the much-talked-of special race. He was opposed by some smart sprinters in the fifth race at 112 pounds, but under the light impost of 104 pounds had no difficulty in defeating the 3-year-olds. Dr. Johnson and Ham
