NEEDN'T BUY NEW PARKS  
SAYS BOARD OF CONTROL

Committee's Recommendation of Mill on the Dollar for Purchases Is Not Favored.

The board of control is against applying for legislation to give the city power to expend a mill on the dollar out of the yearly civic revenue.

The recommendation of the civic parks committee came up yesterday, and while it was forwarded to council the controller expressed dissent. The opinion was that it would be wiser to spend money on improving some of the parks already acquired, and the mayor thought the current revenue should suffice for this. Controller Spence held that it would be well if such permission were sought to make it subject to a vote of the ratepayers each year.

A Dark Secret.  
The board of control will receive in private to-day a report from the assessment commissioner on the prices at which civic debentures have been recently sold.

The city engineer was granted \$15,000 to carry on the works department to the end of the year. Mr. Rust explained that the drain on the appropriation was due to extensive asphalt repairs. The extra funds will be spent as follows: Roadways \$6000; sidewalks \$1000; asphalt repairs \$4000; maintenance of tug \$400; viaduct evidence \$444; Leslie-street sewer \$500; Lake Shore-road repairs \$500.

The court of revision yesterday listened to a number of appeals against assessments in the fifth ward. The appeals were almost all against house and land assessments, although a few complaints regarding business assessments were made.

The assessment in connection with the extension of Albemarle-avenue was confirmed.

C. P. R. STRIKERS IN  
WEST TORONTO TO DECIDE

Meeting To-day to Still Further Discuss the Situation—York County News.

WEST TORONTO, Oct. 7.—While a member of the local police force was going along Louisa-street on horse-back this morning, bound for the Gun Club's pigeon shoot at Lambton, the horse became frightened and unseated the rider, who landed unceremoniously in the mud. The animal galloped back towards home, but was caught at Fleming's yard, where it was handed over to the mid-colored officer of the law, who started off again for Lambton and succeeded this time in reaching his destination.

As a result of the discussion at the council meeting on Monday evening, the gravel pit on Barton-street has been reopened after being in disuse for several years. Loads of gravel were taken out to-day for use on the new sidewalks that are being constructed in town. Fifty-five carloads of cut stone have been ordered for street improvement and the first two loads arrived to-day and were used on Weston-road.

At the meeting of the board of health to-night the medical sanitif officer's report showed that there were three cases of scarlet fever, one of diphtheria and fifteen of typhoid in town during the month of September.

The board has advertised for a new sanitary inspector, and the applications will be considered at the next meeting of the board, which will be held on Wednesday evening, Oct. 14.

The C.P.R. machinists have arranged to hold a meeting in St. James' Hall to-morrow afternoon at 2 o'clock to discuss the strike settlement and to decide definitely whether or not they will accept the proposed terms, and return to work.

MARKHAM FAIR.

Secretary Milne Says Entries This Year Break All Previous Records.

"The biggest fair in the history of Markham Village," said secretary Milne, the secretary of the society, over the long distance telephone to The World last night. The directors expended \$2000 in new horse stables and as they are all filled up, the committee were forced to scour the town to get more room. All the big exhibitors are represented and the fair is the largest in its history. This is cheering news and added to this fact, the exhibits in all other lines are fully thirty per cent. ahead of other years.

The grounds, and the track particularly, are in great shape.

The train arrangements are especially good and as follows: On Thursday at 12.30 p.m., a special G. T. R. train will leave the union station for Markham, returning at 6.10 p.m., stopping at all intermediate stations. On Friday special trains will leave the city at 8.30 a.m. and 12.30 noon, returning at 6.10, 8 and 9.45 p.m. Citizens who want to see the greatest in Ontario fairs, go to Markham.

A feature in connection with the fair is the hot dinner and supper given by the Ladies' Aid of the Methodist Church in the basement, on Thursday and Friday.

His Grace Archbishop McEwen conducted confirmation services in St. Patrick's Church on Monday at 9.30 a.m., before a large gathering.

PICKERING.

Number of Farms Change Hands at Record Prices.

Messrs. F. M. Chapman and John White, real estate men, held a meeting of the committee on suburban service in Toronto yesterday. The way that the G.T.R. and C.P.R. are being laid out on the new lines is being discussed. The committee will report to the city council to-morrow.

The Methodist Church here celebrated a most successful harvest home here this week. The lecture and supper on Tuesday was largely attended. John E. Dineen of Greenwood has sold his 100-acre farm on the sixth concession, known as the "Larkin's property," to Alex. Moore of the same place for about \$1500. This is a good farm and will be improved by Mr. Moore at once.

Donald McDiarmid, who has sold his farm to Mr. Crockett of Brougham, intends to hold an auction sale in the spring and then leave for the west.

Mr. McDiarmid thinks Ontario farmers must fight strenuously to overcome the weed trouble.

A runaway horse on Sunday dashed down Church-street, and following the board sidewalk, broke many of the planks.

The city engineer is having up-to-date improvements in the village owing to the defeat of the by-law.

Mr. McDiarmid is expected to hope that next year's council will renew the attack.

KEW BEACH.

KEW BEACH, Oct. 7.—At the annual meeting of the Kew Beach Club held last night, the officers were elected for the coming year. They are: Hon. President, Maynard Oliver; President, A. L. Loughhead; Vice-President, C. J. Purkin; Secretary-Treasurer, T. H. McDermott.

EAST TORONTO.

Board Discuss School Matters—Local Boys to Run in Marathon Race.

EAST TORONTO, Oct. 7.—In all the three schools at the present time there is an attendance of about 950 pupils, a number largely in excess of the seating and general accommodation. The opening of the old St. Mary school has in a measure relieved the situation. In future it is proposed to confine the pupils to those resident in the town alone. At a meeting of the public school board held last night, among other matters dealt with, was that of changing the name of the five-avenue school to Balm Beach school, which on motion of Trustee Sinclair was unanimously adopted.

East Toronto will send four candidates to the Ward Marathon to be run on Queen-street and the Lake Shore-road on Saturday afternoon. They are: Morrison, Doyle, Davidson and Rumney. On A. E. Ames' quarter-mile track last night the final practice was had. The boys are in fine condition. The boys' football team will play a game with the local team, why not East Toronto for champion marathons?

A number of East Toronto people will go up to the meeting of the York County ratepayers and the members of the Railway and Grocers' Unions, tomorrow afternoon at 2.30 o'clock. The interest is felt in the conference.

MIMICO.

Ladies' Aid Held Successful Entertainment in School House.

MIMICO, Oct. 7.—Dr. Forbes Godfrey presided at the entertainment given in the public school last night under the auspices of the Ladies' Aid of the Methodist Church, when a first-class musical and literary concert was given.

One of the liveliest questions in New Toronto and Mimico is the tar sewage, and it is probable that some joint action of the two municipalities, as well as the Victoria Industrial School, will be evolved in the near future.

MOUNT DENNIS.

MOUNT DENNIS, Oct. 7.—The Methodist Church anniversary and harvest home festival was held at the church last evening, October 13. A fine program of city talent has been prepared.

The "Wine of Barley"

Ale, the wine of barley, is said to have originally been made by the ancient Egyptians. It was the favorite beverage of the Anglo-Saxons and the Danes, and before their conversion to Christianity they believed that drinking it formed one of the chief felicities which those heroes enjoyed who were admitted into the hall of Odin, the great patron of bravery and culture.

Through all the ages ale has been used. The unconquerable Briton, the hardy, sturdy Anglo-Saxon and Dane—they all recognized its worth—the "wine of barley" was their favorite beverage.

To-day the same can be said. Ale—that is, pure ale—is the favorite beverage of the masses as well as the classes. It is wholesome, pleasing to the taste and, when brewed in the good old-fashioned way, as "East Kent" ale is brewed, it is "foaming deliciousness."

For three generations the Holiday family have been brewing "East Kent" ale in the quaint, little brewery, which is one of the best known landmarks in Guelph.

They brew it as it should be brewed—as it was brewed in "the good old days." They use water which flows icy cold from a deep, clear spring; they use the very choicest of malt and hops, and they bring to bear years of experience, with the result that "East Kent" ale is pronounced by those who are competent to judge to be the perfect ale—the Bass' ale of Canada.

In Toronto "East Kent" is bottled by T. H. George, 709 Yonge Street, and every household into which it has once been introduced invariably welcome it as an old friend.

EARLSCOURT.

Notes of Interest Picked Up Around the Northwestern Suburb.

EARLSCOURT, Oct. 7.—While the 11-year-old son of W. Heron, while playing in the school yard yesterday, fell and broke his right wrist, Dr. Murphy of Earlscourt reduced the fracture. The patient was placed under an anesthetic.

The Earlscourt Catholic Association will hold their inaugural garden party and social on Saturday next, Oct. 10, from 2 p.m. to 5 p.m. at the residence of Mr. McLure, Toronto Heights, Dufferin-street. The grounds have been kindly placed at the disposal of the committee.

A harvest home was held in Boon-street Methodist Church on Sunday and Monday. On Monday evening a social tea was served and the entertainment following was illustrated with stereoscopic views. Fruits and vegetables were sold after the program and realized a fair sum.

Fred Miller, of Miller & Sons, florists, is still confined to the house and suffering severely from a cold.

John Stevens is building a new brick house on his four-acre lot on Dufferin-street.

BABE KILLED IN PAIR.

Neck Dislocated by Fall—Unfortunate Lindsay Family.

LINDSAY, Oct. 7.—The 18-month-old child of William Baker of Angelier street met death to-day in a peculiar manner.

A large capful, containing about six inches of water, was standing in the yard, and in some manner the child tumbled into it. Its neck was dislocated, death taking place almost immediately.

This is the second child of Mr. Baker to die a tragic one this summer. Their four-year-old boy was killed on a railway crossing near their home by being run over by a Grand Trunk engine in April last.

SETTLING OUT OF COURT.

LONDON, Ont., Oct. 7.—The Red damage suits, involving claims aggregating over \$100,000, may not come to trial. The action brought by James Cugston has been settled out of court and other will follow. Geo. C. Gibbons, K.C., counsel for Mr. Reid, stated that the defence is willing to settle if the plaintiffs will accept a reasonable amount.
