

URGES MORE USE OF SCHOOL BUILDINGS

Woman Trustee Desires Better Opportunities for Adults and Pupils.

Miss Constance Boulton has started a movement for the use of the public school buildings eight hours a day instead of five. To bring her ideas up for discussion at the board of education management committee next Wednesday, Miss Boulton last night introduced three notices of motion.

The proposals are: "That the school plant of Toronto be opened for school hours and in evenings for the benefit of the whole community, both adults and pupils, and where there is sufficient demand that teachers be placed in charge of evening classes for the benefit of adults or pupils who desire further instruction and that the board of inspectors be instructed to bring in recommendations for such."

MAYOR WANTS RADIALS DISCUSSED IN HOUSE

"I hope that the Conservatives and the opposition in the legislature will not fall down this season in bringing up Hydro and Hydro radials," said Mayor Church yesterday. "The people of Northeast Toronto spoke on these questions, and it was largely owing to Hydro that Major Lewis polled such a good vote."

"The Ontario government are doing little to help unemployment by providing work, whereas the city is spending millions on public works, and up to this hour we have not received one cent of help from the province or Dominion's stand on the Hydro and Hydro radials, when the address is under consideration. The Ontario government are spending nearly half a million on useless commissions, giving only work for lawyers."

"I hope that Major Lewis will not allow anyone to interfere with him bringing up these questions and in moving an amendment to the address in this connection," the mayor added.

SEWERS CONTRACT GOES TO LOWEST BIDDER

The lowest tenderer, the McKnight Construction Company, was yesterday awarded by the board of control the contract for the laying of sewers in the recently annexed land on the north side of Danforth avenue and west of Woodbine avenue. The board had proposed to do the work by day labor as a means of helping the unemployed, but the works commissioner had put in a tender estimating the cost at fully 50 per cent. more than the lowest tender.

Controller Nesbitt said that in his opinion it would be a vicious principle to call for tenders and then not award the work to the lowest bidder. Con. Hiltz took a similar view.

BUILDING PERMIT ISSUED.

A permit was issued yesterday by the city architect's department to F. C. Lankin to build three pairs of dwellings on the west side of Greenwood avenue, near Milverton boulevard, for \$20,000.

NEW COLD TREATMENT BRINGS QUICK RELIEF

Druggists Instructed to Refund Money in Every Instance Where Satisfactory Results Are Not Obtained After First Few Doses.

RESULTS FROM USE ALMOST IMMEDIATE

Thousands Using It With Gratifying Results—Great Superiority Over Ordinary Remedies Is Clearly Demonstrated.

Asprolox, the new scientific cold remedy which has been accomplishing such remarkable results, probably provides the safest, surest and quickest, as well as the most practical treatment for colds yet discovered.

A dose taken every two hours until three doses are taken usually breaks

up the severest cold and ends all Grippe misery. The very first dose unstops the head, relieves difficult breathing and penetrates deep down into the air passages. It also checks running of the nose, relieves those dull headaches, sneezing and the feverishness which so often accompanies a cold. Don't stay stuffed up. Clear your congested head. No other remedy brings such prompt relief.

Asprolox contains no quinine or nauseating, harmful drugs. It has a soothing effect on inflamed mucous membranes of the nose, throat and bronchial tubes, and a gratifying feeling of relief takes the place of distress and discomfort. Asprolox relieves a cold by removing the cause. It is a combination treatment and acts as an antipyretic, expectorant, laxative and antiseptic.

The next time you have a cold go to your nearest druggist and ask for a bottle of Asprolox. Have the clerk open it on the spot, take a teaspoonful, repeat the dose in an hour and again in two hours. If you are not surprised and delighted with the result, go back to your druggist and he will refund your money without question.

All Drug Stores are now supplied with this wonderful new prescription.

COMMUNITY SERVICE REQUIRES MORE MONEY

An additional \$50,000 is needed by the Federation for Community Service to meet the requirements of the 49 city charities this year.

The officials met yesterday, and appointed a special permanent campaign committee to discuss plans for enlarging the work of the federation and for deciding upon the best methods for organizing a campaign that will meet with the approval of the citizens of Toronto.

George A. Howland was appointed chairman of this permanent campaign committee, and the following sub-committees were drafted: Executive committee, Geo. A. Howland (chairman), A. E. Clark, W. T. Kernahan, Frank Lawson, Wilfred Rice, John Patterson, M. C. MacLean; publicity committee, John Patterson (chairman), Major Wemp, G. L. Lemon, Bert Trestall; campaign methods, G. A. Howland (chairman), Frank Lawson, Martin Gardner, Arthur Hatch, John J. Gibson, Guy R. Roach, F. H. Bigwood, A. E. Clemes, Fred Hamblly; delayed subscriptions committee, A. E. Clark (chairman), W. T. Kernahan, David Haig, Bert Applegath, Wilfred Rice, C. A. Westley, John Gibson.

NO OFFICIAL WORD ON SHIPYARD DISPUTE

That he had received no official intimation from Ottawa of the men's demands being refused, was the statement made to the Collingwood Shipbuilding strikers by Herbert Wright, business manager of Local No. 128, International Union of Shipbuilders, yesterday afternoon.

Union officials contend that the government know that 90c an hour should be the prevailing rate, and that if the men will only stick to their demands Ottawa will be forced to grant them their rights.

FRAUD CHARGE FOLLOWS FAILURE OF COMPANY

A sequel to an unsuccessful tour of a musical comedy company was heard before Judge Coatsworth yesterday, when John D. Frawley was charged with obtaining by fraud \$200 from J. R. MacDonald and \$250 from J. H. Duckworth, all three original members and promoters of the theatrical company.

The little company, which had "unlucky" 13 members, came to grief following a tour of the many small hamlets in Ontario. The court marveled at the inner workings of the amateur musical company as outlined by Messrs. MacDonald and Duckworth. Frawley was given until next Thursday to pay the money, and was also warned to take a lesson from his experience.

ALREADY PREPARING FOR ADOLESCENT ACT

Chief Inspector R. H. Cowley has almost ready for presentation to the management committee of the board of education a report on the necessary steps to be taken for the operation of the adolescent school act in Toronto in about three years time. It was originally intended that the law should come into effect this year. To bring about a public discussion of the question of the extension of the compulsory school age in Toronto to 15 years of age, Major B. S. Wemp will move at the next meeting of the management committee for a full report on the adolescent school act.

MAYOR HAS BUSY DAY ON RETURN TO WORK

Mayor Church was back in his office in the city hall yesterday after two days of illness, and immediately plunged into work. He presided at the meeting of the board of control and then received visitors and dictated letters and instructions until nearly 6 o'clock.

BERRY CHARGES OFFICIALS.

John Berry, who is suing the city for an alleged infringement of his patent on a water purifying process, made charges yesterday to the board of control against certain city officials, but the board decided to take no action until the case has been disposed of in the courts.

MEN GET NOTICE IN LIMB FACTORY

Heavy Overhead Expenses Given as One Reason—Many May Be Absorbed.

Twenty men in the employ of the limb department of the D.S.C.R. have received notice that their services will be dispensed with at the end of the present month, "owing to heavy overhead expenses." Most of the men were said to be "problem cases" and were said to be "problem cases" and were said to be "problem cases."

The men have been carried on to the present because of the prevailing unemployment conditions, but it has become impossible to continue this any further.

"There is a possibility of absorbing a number of these men when the limb factory is moved from 185 Spadina avenue to Christie street," continued Col. Morrison. "The work of moving commenced this week and the men have all been given a month's notice."

MANY AT FUNERAL OF LATE BISHOP EVANS

The funeral of the late Bishop R. C. Evans, founder of the Church of the Christian Brotherhood, took place yesterday following an impressive service at the church, conducted by Rev. A. Wilson, and the remains were conveyed to Prospect Cemetery, where a short prayer was offered, no graveside service being held.

The following elders of the church acted as pall-bearers: Messrs. E. Harrington, G. Trickey, Edward Lido, Albert Clegg, Rundle, and W. S. Falls, and the chief mourners were: Mrs. Evans, widow; W. T. Evans, son; Mrs. H. E. Thomas, daughter; Mr. H. P. Thomas, and Mrs. W. T. Evans.

Mayor Opposes More Money For Roads Outside City

Having read of the conference between the board of control and Hon. F. C. Biggs regarding co-operation between the city and the province in the building of improved highway entrances into the city, Mayor Church announced yesterday that he would not consent to the expenditure of any more money on roads outside the city except on the Hamilton Highway and on account of the Toronto and York highways commission. "Let them understand that we are thru and the lid is on," declared the mayor.

JUDGMENT RESERVED IN ARENA APPLICATION

Judgment was reserved yesterday by Justice Masten on the application of Frank G. Robinson, of Montreal, for an injunction restraining the shareholders of Arena Gardens Ltd., holding a special meeting, which has been called for Monday, the 24th inst., for the purpose of confirming certain actions of the directors in suspending and stopping payment and especially of authorizing the return to the bondholders of their deferred interest coupons, Mr. Justice Masten

ONE-TENTH OF ESTATE WILL GO TO CHARITIES

One-tenth of the total estate of Louise Anne Jacques, a widow, who died June 11 leaving \$28,388, is given in charitable bequests, under a will executed October 19, 1918. Seventeen mortgages are valued at \$24,975; stocks, \$2,805; cash, \$188; household goods, \$300; and an interest in the estate of W. H. Jacques, \$120.

The charitable bequest is divided among the Salvation Army Rescue Home, Montreal; Children's Memorial Hospital, Montreal; superannuation

ALLOWS ESTATE CLAIM.

Judge Denton has allowed Mrs. Sarah J. Scrase \$2,165 on her claim against the estate of her brother, Solomon Shepherd, for \$149 for caring for him and nursing him for six years before his death on October 20 last. The estate was passed in the surrogate court at \$19,061, and Mrs. Scrase, in addition to a request of \$2,500, inherited one-half of the interest coupons, Mr. Justice Masten

COTTON IN EGYPT TO RAISE THE PRICE

Egypt, Jan. 20.—A co-operation has been formed to raise the price of cotton in Egypt. The price of the cotton is expected to rise from 30 pence to 35 pence.

Indicate apparently is acting on the assumption that the banks will advance the necessary funds, but experts here are doubtful if there is sufficient knowledge of the world's markets to carry out such a plan. High authorities are approached for moral support, it is believed such support should be given.
