Ottawa Jan 16, 1909

Sir,-

I beg to refer you to letter of the 31st July 1908 No. II9322-A and to inform you that we have had the survey made of the addition to the Fisher River Indian Reserve, Man, therein referred to. I beg to enclose herewith a blue print copy of the plan of the survey. A plan on tracing cloth will also be sent to you in a separate parcel.

You will note that the addition in Township 28 Range I W.P.M. consists of sections 15 and 16 and the South halves of sections 21 and 22 being an area of 1920 acres.

J. B.

You will note on the North boundary of the Fisher River Reserve a plot of land bordered red containing 160 acres. This portion of land was surveyed at the request of the Indian Chief and Council as it is occupied and has been in the possession for about five years, of a former non-treaty Indian named Peter Murdock, who has been recently admitted as a member of the Fisher River Band. The said Peter Murdock has a good house on the lot 20' X 14' one and a half stories, shingled roof, five windows kitchen lean-to and has also a stable and garden. It is hoped that your Department will concur in allowing the said plot of 160 acres to be added to the Fisher River Indian Reserve.

P.G. Keyes, Esq.,

Secretary,

Dept. of the Interior,

Indian Affairs. (RG 10, Volume 7778, File 27136-2)
