THE HOW AND WHY OF IT.

"Fruit-atives" are the parts of the fruit that do you good. Apples, Oranges, Figs and Prunes are pressed—the juices separated from the tough, woody fibre—and concentrated. Then—and this is the secret of "Fruit-atives"—one more atom of bitter principle from the orange peels is forced into the concentrated fruit juices. By this process—one of the most remarkable achievements of the age—the juices are made stronger, and many times more active medicinally. Finest tonics and internal antiseptics are added, and the whole evaporated and pressed into tablets. "Fruit-atives" are the greatest tonic, laxative and blood purifying medicine ever discovered.

SEASON'S CASUALTIES

Record One of the Worst for the Route.

(Montreal Gazette.)

As regards casualties, the season contrasts rather unfavorably, and the Allan line was the heaviest sufferer, two of the mail steamers going ashore. In September the new turbine steamer Victorian struck near Cape St. Charles and though floated was put out of service for the season. Then the line experienced the most serious accident of the year when the SS. Bavarian ran ashore on Wye Rock, about opposite the Isle of Orleans, on the evening of November 3. After repeated efforts to float the vessel she has been abandoned until spring when it is hoped to get her off with the high tide.

A summary of the casualties of the season reads:

Tampan (Leyland line). Stranded on shore which extends along the eastern side of the Sutherland pier, harbor of Montreal, July 12. Low sea heavy.

Agar (N. S. S. & Co. Co.). Stranded off Long Point, harbor of Montreal, June 17. Damage slight.

Corinthian (Allan line). Grounded on shore opposite Ile Ronde, harbor of Montreal, July 27. Damage slight.

Victorian (Allan line). Grounded at Cape St. Charles, September 1.

Virginia (Leyland line). Stranded on Cape Island, September 1. Damage heavy.

Steamer Empire and Tag Hosanna, Collision off Long Point, September 5. Hosanna, a government service vessel, was sunk.

Chr. Knudsen and Thrift (colliders). Collision off St. Paul's Island, September 12. Damage considerable.

Wentworth. Stranded at Ellis' Bay Island, off Anticosti, September 14.

Univers, Bay State and Harbor Commissioners' dredger, September 2.

Union in Montreal Harbor, September 29. Euphemia (Hamburg-American line) and Tordenskjold (Danish line) collided.

Union off Cape St. Antonio, October 23. Damage heavy.

Bavarian (Allan line). Stranded on Wye Rock, November 3. Low heavy.

Angola (Elder-Deerpole line). Grounded off Long Point, November 21. No damage.

Miss Frances Copp, of Port Elgin, returned to her home today after an extended visit at St. John, St. Stephen, and Calais, Me.

Miss Elizabeth Gidman returned to her home at Great Glen today, having spent the past three months in Sackville.

Murray Trenholm of Bayfield, N. B., is spending the week in Halifax.

J. A. Martin of St. John was in town yesterday.

Mrs. W. W. Wood of Philadelphia returned to her home today after a visit at Bas de Veite.

BACK FROM BERMUDA

Colonel J. D. Sharp, of the Salvation Army, returned yesterday from Bermuda, where he has been lecturing and was also investigating the school methods of that country with a view to having the schools there taken in charge of by the Salvation Army. Mrs. Sharp and Capt. Riley accompanied him.

Col. Sharp says that the condition of affairs is hardly ripe enough to propose any radical change in the school system. He says that the school law in Bermuda provides for separate schools for white and colored children and that the opportunity moment for suggesting any changes has not yet arrived.

During his trip the colonel conducted more than fifty meetings and these all in a month. He also gave a number of lectures on Newfoundland and Bermuda, illustrating these with limelight views.

Colonel Sharp speaks highly of his reception by the Bermuda officers and soldiers of the Salvation Army. He also said that the voyage was very much enjoyed by himself and wife and also by Capt. Riley.

HALF CENTURY OF USEFULNESS

Granite Rock Division S. of T.
Celebrates Fifty-Third An-
niversary — A Pleasant
Evening.

For fifty-three years Granite Rock Division, Sons of Temperance, has continued to hold meetings and labor with more or less vigor for the cause of total abstinence. It has seen periods when three hundred and fifty or more members were in regular weekly attendance, and again there have been periods when scarcely enough attention was paid to fill the various offices and hold a meeting.

Since liquor saloons were banished from the west side there has been less active work in the temperance organization, but Granite Rock has continued its meetings. It owns a comfortable, roomy and well furnished hall, and looks forward to continued usefulness.

Last evening the division celebrated its fifty-third anniversary, and a large number of members from divisions on the east side went over to extend congratulations. The chair was taken by John Thomas, who has been fifty-two years a member of Granite Rock, and in that time has only missed twenty-two meetings in all that period.

Mr. Thomas confessed to nearly seventy years, during which time he has never been confined to his bed for a single day through illness, and his sturdy appearance gives promise of many more years of health and vigor. He told last evening of the vicissitudes of Granite Rock, which lost one valuable hall by fire and met thereafter in various others before securing its present fine hall. He told of the good work it had done in the last half century, and spoke of the very strong temperance sentiment which prevails on the west side and would be crystallized in action if any attempt were made to open a saloon on that side of the harbor.

Robert Maxwell, M. P. P., delivered a stirring address on temperance, pointing out the growth in sentiment in this and other countries, and expressing the belief that in all the Canadian provinces, with possibly one exception, public sentiment is now so strong that it would be strong enough to enforce a prohibitory law. Mr. Maxwell's address was very heartily applauded.

Remarks were made by H. W. Bolding and others; there were readings by Miss Lindsay, Miss Lizzie McFarlane, Miss King and Messrs. Hamilton and Stone; solos by Miss Lillian McGorman and Messrs. Ordley and D. Thomas and an instrumental solo by A. McGorman.

Wm. McGorman was chairman of the entertainment committee.

Refreshments were served and a very pleasant evening closed with the National Anthem.

IT MADE A DIFFERENCE

Robbie's father had a man drop in to see him. After they had chatted a few minutes the guest was offered the only cigar on the table, so Robbie was sent upstairs for a fresh box. As the boy reached the top stair his father was started to hear:

"Which kind, papa? Do you want me to see you smoke yourself, the kind you give away?"—Dagbladet Lippincott's.
