BOYS STORE DEALS; TROUBLE FOLLOWED

Harbor Thieves Who Filched Deals Under Cover of Darkness Before the Police Court--Policeman Found Booty and Waited for Thieves.

Two boys, Thomas O'Connell, aged 19 years, and Harry Wolfe, aged 14 years, were arrested this morning about two o'clock on suspicion of stealing about two thousand feet of deal and a small boat owned by Captain Porter of the schooner Lumen.

H. A. McKeown appeared for Wolfe and the boys pleaded not guilty. Morris O. Porter, captain of the schooner Lumen, said that his vessel was lying at the I. C. R. wharf. He missed his dory and a pair of oars this morning. They were valued at \$6 or \$7. He went to the harbor and found them this side of the rolling mill. A police officer was standing by the boat. He left his boat fastened to the schooner last night. Officer Greer said that this morning about two o'clock the defendants landed on a staging at the foot of Simons street. They had a boat in their possession. About seven Porter came along and said: "That's my boat, someone stole it."

ARTILLERY INSPECTION

It Will Be Held Tonight and Tomorrow Night at the Drill Hall.

The annual inspection of the 3rd Regiment Canadian Artillery will be held tonight and tomorrow night at the drill hall. Col. Esplanade, of Ottawa, director of artillery, is expected to arrive today to conduct the inspection. There is considerable dissatisfaction among the officers and men of the regiment over the way arrangements for inspection have been conducted. The date of inspection was fixed for July 9 and 10, and at the last moment almost was changed to the 12th and 13th. The fact that the twelfth has been chosen is a particularly unfortunate selection, as many of the men had made arrangements to go out of the town on excursions, so it is doubtful if the regiment will muster anywhere near full strength. It is rather unfortunate also that Col. G. Ross White, D. O. C., is at present out of the city, and Col. W. W. White, commander of the regiment, is too ill to attend at the exercises tonight.
