PAIN KILLER

— IN —

MONTREAL.

PAIN KILLER

IT CURES, WHEN TAKEN INTERNALLY,

Cramp, Cholera, Dysentery,  
Diarrhoea, Painter's Colic, Bowel Com-  
plaints, Pain in the Stomach, Liver Complaints, Sore  
Throat, Sudden Colds, Coughs, Dyspepsia, Indigestion, &c.

WHEN USED EXTERNALLY, IT CURES

Boils, Felons, Cuts, Bruises, Burns and Scalds, Old Sores,  
Sprains, Swelling of Joints, Toothache, Pain in  
the Face, Neuralgia, Rheumatism,  
Frosted Feet, &c.

**For Cholera Morbus and Cholera Infantum**, as well as all Summer Com-  
plaints of a similar nature, it acts with **WONDERFUL RAPIDITY**, and  
**NEVER FAILS** when taken at the commencement of an attack, and often cures  
after every other remedy has failed. For **Sore Throat, Sudden Colds and**  
**Diphtheria**, no remedy has ever been discovered so powerful to cure. As a  
Liniment it has no equal in curing Rheumatism, or Neuralgia, Burns and  
Bruises, and wounds of every description. It is the cheapest and best remedy  
ever offered to the public. Mothers will find it invaluable in the nursery, and  
it should always be kept near at hand in case of accident. For pain in the  
breasts, take a little PAIN KILLER in sweetened milk and water, bathing  
the breasts in it clear at the same time. If the milk passages are clogged from  
cold or other causes, bathing in the PAIN KILLER will give immediate relief.

**Beware of all Counterfeits and Imitations.**

The genuine is put up only in panel bottles, with labels finely engraved on  
steel, the name being also blown in the bottles.

PRICE, 25 CENTS PER BOTTLE.
