ST. JOHN PILGRIMS BRING HOME WORD OF CURES AT ST. ANNE

A Westmorland County Girl, Deaf and Dumb For 12 Years, Among Number

The St. John pilgrims to the shrine of Anne de Beaupre arrived in the city on Saturday. Everybody seemed thoroughly to enjoy the trip and all are unanimous in their praises of the conductors of the pilgrimage, Rev. H. D. Cormier of Moncton and Rev. D. L. LeBlanc of Shediac.

There were two trains of New Brunswick pilgrims. Many cures are reported, but one which came under the observation of local people is particularly worthy of notice. This was the case of Miss Iteatha Brine, daughter of Clarence Brine of Botsford Portage, Westmorland county, Miss Brine, who is seventeen years of age, has been deaf and dumb for twelve years. Along with her mother, she took part on Wednesday evening in the procession that moved from St. Anne's church up the steep hill past the Scala Sancta. St. Anne's choir was stationed in front of the church and sang the usual hymn as the procession moved along. When about half the procession had left the church Miss Brine turned to her mother and said: "I hear the singing; St. Anne has cured me."

About 9,000 people were in the procession, there being pilgrims from Nova Scotia, New Brunswick, Ontario and the State of Maine.

The suddenness with which the overjoyed girl was given back her speech proved too great and she lost control of herself for the time. The girl is now gradually finding her speech restored.

Another wonderful cure was that of a little boy from the province of Quebec, who was unable to walk. He is fourteen years of age and had used a cane to get along. His limbs were always kept in irons. He climbed the Scala Sancta three times and as he was proceeding up the third time the irons fell from his legs and he threw the cane away.

A girl, formerly of Portland, Me., was blind in one eye for nineteen months and the other was gradually becoming affected. As she approached the shrine of St. Anne, the glasses were thrown to the ground. Her sight was restored.

Besides these cures there was another remarkable cure made during the procession. A French girl, troubled with hip disease and who was forced for years to use a cane almost daily, was completely cured while walking along, and the cane with which she was walking was taken out of her hand and thrown to the ground. She was able to finish her journey without it.

S. H. SHAW THE NEW TRUSTEE OF FAIRVILLE SCHOOL

Succeeds T. H. Wilson, Who Retires—An Interesting Report by Secretary Bryant

The annual Fairville school meeting was held this morning at 10 o'clock. Rev. Gilbert Earle occupied the chair. It was decided that the assessment for school purposes be the same as last year.

T. H. Wilson, whose three year term of office as trustee expired, was renominated, but declined owing to ill health. A resolution of appreciation of Mr. Wilson's long services as trustee covering a period of about twenty-six years was moved by J. Stout, seconded by W. J. Linton and carried unanimously. The meeting then elected Stephen H. Shaw as the new trustee. The following is a copy of the secretary's report:

Fairville, July 10, 1916.

To the Trustees and Ratepayers School District No. 2, Parish of Lancaster: Gentlemen:—Your secretary begs leave to submit the following report for the year ending June 30, 1916:

We began the year with a balance in the Bank of Nova Scotia of \$2,237.71, and assessed the district \$6,600. At last year's meeting the trustees were advised to place \$1,000 in sinking fund for the purpose of redeeming bonds when they fell due. But when the trustees looked over the school properties and saw what a lot of repairs were needed, they decided not to provide for the sinking fund until they saw how their finances held out.

We laid new hardwood floors on the four rooms, halls and cloak-rooms of No. 1 building, and purchased new furniture for the principal's room. We also installed five new stoves and renewed practically all of the blinds at a considerable cost.

As instructed at the annual meeting, we were to charge \$4 per annum for pupils attending the schools who lived outside the district, and the trustees were ordered to notify parents of such pupils to that effect. I duly notified the parents as requested, but when school re-opened, these scholars did not come for their permits. After waiting some time, I asked the teachers of the various rooms to make a list of these outside pupils, and found there were at least twenty-five, not including Grades VII and VIII. As I cannot compel them to come and get permits, I suggest that the secretary be instructed to notify the teachers to send home all pupils outside the district who do not allow them to attend until they can show a receipt from the secretary showing they are entitled to tuition. I personally believe we should extend the district to take in these scholars wherever it is possible to do so.

Last year we had to grant an increase to the entire teaching staff and that amounted to \$600. All bills have been paid to date, and we have a considerable balance in the bank.

COMING HERE TO GET RECRUITS FOR THE 115TH

Col. Wedderburn's Battalion Needs About 200 Men—Lieut. Price and Need to be Sent Here

(Times' Correspondence)

Valcartier Camp, July 7.—Practically all the men of the 115th have been inactivated and are resting today. Lieutenants Price and Reed of the 115th are to be sent to St. John in the near future to assist in recruiting for the battalion which needs about 200 men to complete its establishment. The sooner these men are obtained the sooner the battalion will be permitted to proceed overseas which, in any case, will be in the very near future.

Little Raymond Sweeney Dead

Raymond Sweeney, the four-year-old son of Mr. and Mrs. James Sweeney of Chapel street, West St. John, died in the General Public Hospital this morning from injuries sustained a few days ago when he was run over by a heavy cart. His death came as a great shock to his parents and many friends. He was a very bright lad of four years and a favorite with all. Besides his parents he is survived by several brothers and sisters. Coroner Roberts will make enquiries and will then decide whether or not he will hold an inquest. For Mr. and Mrs. Sweeney and all there is very deep sympathy.

A large number of letters of condolence have been received by the family of the late Lieut. Frank J. Corr, including one from Hon. J. D. Hazen, minister of marine and fisheries, and one from Major General Sir Sam Hughes. The letter from the latter is as follows: "Will you kindly accept my sincere sympathy and condolence in the decease of that worthy citizen and heroic soldier, Lieutenant Frank Joseph Corr. While one cannot too deeply mourn the loss of such a brave comrade, there is consolation in knowing that he did his duty fearlessly and well, and gave his life for the cause of Liberty and upbuilding of the Empire. Again extending to you my heartfelt sympathy, Faithfully,
SAM HUGHES,
Major General Minister of Militia and Defence for Canada."

WEDDING OF INTEREST HERE

A very pretty wedding took place on July 3 at the residence of Mr. and Mrs. Rhoades, New Britain, Conn., when their niece, Miss Nettie M. Doherty, daughter of W. L. Doherty, of H. M. Customs, St. John, was united in marriage by Rev. Mr. Denon to Francis Louis Delong, of New Britain, Conn. After the ceremony the young people left for Hartford, Conn., where a wedding supper was served, at Mr. and Mrs. Rhoades' summer home. The large number of guests present, also the numerous presents received by both bride and groom, showed the esteem in which both were held. They will reside in New Britain. Many friends in St. John will wish them much happiness.

BAND CONCERTS ARE BEING ARRANGED

Arrangements for a regular series of public band concerts in King square are being completed by Commissioner Fisher. His plans call for two concerts a week—each Tuesday and Thursday evening—until the middle of September, the concerts to be given by the City Cornet Band and the Temple Band. At a committee meeting of the council this morning the commissioner moved for authority to expend the money but was informed that his department already had the needed power.
