

TO UNDERTAKE MATERNITY CARE FOR SOLDIERS' FAMILIES

Relief Work Will Be Discontinued By Local Red Cross

THE Saint John Red Cross Society last night decided to discontinue giving relief to concentrate on providing maternity care for soldiers' families and clothing for the children in these homes, to undertake the support of a travelling housekeeper, who is to be a mother's helper in homes, where there is special emergency and also decided to carry out a vigorous campaign for members and funds during the week of October 4-9.

A province-wide campaign for members is being launched at that time by the various branches of the Red Cross. The Saint John branch met last night in the Depot in Prince William street with Mrs. I. F. Longley, president, in the chair. Excellent reports of the work accomplished in the summer months were submitted and in order not to have those whom the society has aided in the past suffer unnecessary hardship it was decided to employ a relief worker for one month to wind up this branch of endeavor.

GRATIFYING REPORT.

A very gratifying report of the management of the Red Cross nursery at the Saint John Exhibition was submitted. A hearty vote of thanks was extended to the Provincial Red Cross for carrying on relief work for the Saint John branch during the summer. Miss Burns, for the Junior Red Cross committee told of visits to the five Junior Red Cross patients in hospital and the donations of fruit, toys and books taken to these children.

Mrs. W. H. Downie sent a report that from May to July 22 congratulations had been sent to 19 homes where new babies had been born. A balance of \$406.80 on hand was reported. Miss Burns told of visiting homes where relief was needed and seeing that the required help was given.

Miss H. B. Mackay, superintendent of the V. O. N., told of the very satisfactory co-operation of the V. O. N. and Red Cross in help for the sick and ailing. The V. O. N. visited the homes reported to them for care by the Red Cross and the Red Cross provided comforts and delicacies.

RELIEF WORK.

The report of relief work showed 126 applications had been received. Some were referred to other organizations, transportation was given four; groceries provided for nine; medical care for two; employment found for nine; meals for one and inquiries for several cases. There were 215 patients given out and 118 received. Correspondence read included the

thanks of Miss H. Campbell, of the federal Department of Agriculture, for arrangements made for her visit in Saint John and the thanks of Miss H. Dykeman, director, for the gift of 60 towels for the Lady Byng Camp. Two donations were reported, of \$10 and another of \$9. The last donation was received from a member in addition to the \$1 membership fee.

GENERAL DISCUSSION.

There was a general discussion of the work the society would carry on in Saint John in the coming year. Mrs. Longley and F. T. Short, president of the provincial branch, pointed out that relief work was not part of the Red Cross peace time policy.

Miss H. B. Mackay favored having the Red Cross continue to provide funds and gifts of clothing for the maternity work, and she said the secretaries of the Board of Health and the Municipal Council both agreed that it was advisable for the Red Cross to continue this work as there was no guarantee that a further municipal grant would be made for maternity work when the previous grant of \$1,000 was exhausted. She advocated having a civic social work.

W. R. Pearce felt that relief work was outside the province of the Red Cross and all relief work should come under one head in the city, if it was to be adequately done. It was said to be part of the alma and objects of the I. O. D. E. to care for soldiers' families in need and that the I. O. D. E. would do this work if it was not being undertaken by the Red Cross.

Mrs. Longley said a member of the Associated and Board of Health that organization could carry on the relief work if the Red Cross did not. The meeting favored the Red Cross drop the civic relief work, having all applicants for relief referred to the Associated Charities, to investigate the cases and having the Red Cross assume responsibility only for maternity aid for soldiers' families and the providing of clothing for children of soldiers.

DR. PEAT SPEAKS.

Dr. G. B. Peat spoke of the habitual relief seekers as existing entirely on relief supplied. The aided maternity work, he said, was greatly extended to the homes of others than soldiers. Two other great needs he felt, better housing conditions and a supply of fuel in homes of the poor. It was outrageous, he said, that people should have to live in some Saint John houses. There were conditions here that could not be equalled in some of the worst slums, he believed. In the matter of a policy, Dr. Peat said it was essential to prevent overlapping. Accommodation Station advocated meeting with representatives of the organizations that would be expected to take over the Red Cross relief work for maternity aid for soldiers' families and the providing of clothing for children of soldiers. As they had been asked to attend last night and were not present it was thought the society's obligations had been fulfilled.

CITY'S NEEDS

It was considered that in the maternity work the Red Cross would have a large problem as it could meet, but it was suggested that a day nursery, a visiting housekeeper, a nurse housekeeper and a place for training nurses in their duties were all great needs in the city and might be undertaken as the work of the Red Cross, which also might undertake preparation for emergency relief. It was agreed that the society should undertake the support of a travelling housekeeper to be a mother's assistant to be sent to such cases as are urgently required. The Victorian Order Nurses were to designate where the assistant was needed.

COMMITTEE NAMED

A committee was appointed to find a room where home nursing classes could be held and where the distribution of the Red Cross garments be carried out once a week. It was decided to employ a relief worker for one month to wind up the activities in this department. Visitors for relief work appointed were Miss Frink and Miss Burns. Mrs. I. F. Longley was asked to appoint the visitors for the Junior Committee work. Suggestions with regard to the launching of the campaign from Oct. 4 to 9 were received. A budget committee was appointed and H. DeV. Partridge was named convenor for advertising as a campaign committee, W. R. Pearce, Mrs. G. Heber Vroom, R. G. McInerney, Mrs. J. H. Duddy, Mrs. I. F. Longley, Mrs. Margaret Lawrence and T. F. Drummond were appointed. Votes of thanks were extended to the workers and the firms which gave contributions or loaned equipment for the Red Cross nursery at the exhibition.

BIG ONTARIO CITIES GO CONSERVATIVE

TORONTO, Sept. 15.—With the victory conceded by a small majority of W. H. Rule, the Jager Ontario cities returned Conservatives almost in entirety while the smaller cities and the rural districts were more inclined to vote Liberal or Progressive. The notable exception, however, was Ottawa, where two Liberal members were returned. Toronto, Hamilton, London, Windsor, all elected Conservatives, while in the populous Niagara Peninsula the Conservatives made a clean sweep.

THREE INJURED IN AUTO ACCIDENTS

Two in Overturned Car in Rother Avenue; Other in Waterloo Street

Mary and Catherine Peters, two sisters, of 24 Pond street, were severely injured about 9.45 o'clock last night, when a car, registered No. 9183, which he was driving, was ditched a few hundred yards east of the One Mile House in Rother Avenue.

Parks was driving out the road when something went wrong and the covered automobile left the road and after plunging into the ditch, struck a tree. The front section of the car and the top was badly smashed. The impact was so great that Parks was badly shocked but otherwise uninjured. The Peters sisters did not escape so easily and when they managed to leave the car it was found that they were bleeding from wounds on the head.

Arrangements were made for hauling the car out of the ditch and later on it was taken to a repair shop. The two injured women to the General Public Hospital, where it was found that each received bad cuts on the scalp. After being given treatment they were conveyed to their home in a taxi cab.

TAX CASE IS WON BY WANAMAKERS

Philadelphia Court Upsets \$800,000 Levy on Store Stock Gift

PHILADELPHIA, Sept. 16.—The Orphans Court, in an opinion by Judge Gest, upheld the appeal of Rodman Wanamaker and other heirs against a tax of \$800,000 on the stock of John Wanamaker store stock.

Two years before he died, John Wanamaker turned over to his son, Rodman, 79,000 shares of common stock of the Wanamaker store, and 10,000 shares of preferred stock to his two daughters, Mrs. Mary B. Warburton and Mrs. Elizabeth MacLeod. The State tried to collect a tax on the ground that the transfer was made "in contemplation of death," and the heirs appealed to the Orphans Court. The court decided that the elder Wanamaker made the transfer as a gift; that it was a bona fide and unconditional transfer "and was made without reference to the death or possible death of John Wanamaker."

Suicided Because Store Was Failure

EAST ORANGE, N. J., Sept. 16.—Charles E. Calhoun, who resigned as assistant secretary of the Lincoln Trust Company of New York two years ago because of serious eye trouble, shot and killed himself in his little grocery store here because he couldn't make a success of the business.

When Mr. Calhoun resigned from the trust company he had sufficient means to enable him to live in comfort, but after a few weeks of idleness he bought a small grocery and vegetable store to occupy his mind. He took great interest in the store and was depressed when he, a successful banker, could not put a small store on a paying basis.

Autoist Moves Car Few Feet and Says He's Within Law

NEW YORK, Sept. 16.—Former Alderman Edward P. Baker, of Yonkers, has begun a novel test of the law forbidding the parking of automobiles longer than one hour on the street near his office in that city, by going to his car and moving it a few feet every 45 or 50 minutes.

Policeman John Balint gave him a summons. Charles Wallace, attorney for Baker, contends that in order to violate the Limited Parking law the car must remain in the same spot beyond the time limit allowed for parking there. So Mr. Baker every now and then during the day moves the car back and forth. Thereby, he maintains, he has not parked longer than an hour and is therefore within the law. Judge Charles W. Boote will decide the case later.

SOUSA ACCEPTS

Will Be Dinner Guest of Canadian and Y's Men's Clubs

D. Gordon Willett, secretary of the Canadian Club, received a personal telegram from John Philip Sousa yesterday stating that the dining occasion of the Canadian Club and the Y's Men's Club, upon which he will address the combined gathering, would suit him excellently, if it were held in the evening at the usual supper hour. Mr. Sousa's special train arrives during the afternoon from Halifax and most of the intervening time before the matinee concert will be spent in arranging the band's seating, etc., at the scene of concert.

Furthermore, the great American bandmaster expressed a wish in a letter received some days ago to see the two injured women to the General Public Hospital, where it was found that each received bad cuts on the scalp. After being given treatment they were conveyed to their home in a taxi cab.

To Probe Floggings In Florida County

TALLAHASSEE, Fla., Sept. 16.—Governor Martin has called for an official investigation of flogging in Putnam County, which, he said, had numbered 63 during the last year.

"Two cold-blooded murders were perpetrated without reason," the Governor said. "White women were beaten. I have received many letters from people asking me to take steps to break up such conditions, stating that the county was terrorized. Mobs formed at night to terrorize the community and citizens had to carry concealed weapons."

Putnam County lies in the north-eastern part of the State, within 40 miles of Jacksonville. Palatka is the county seat.

The citadel was filled to the doors with friends and relatives of the bride and groom and was beautifully decorated with vari-colored flowers. HE DEFIES CONSTIPATION!

J. H. Michols of Winnipeg ready to carry ALL-BRAN in his baggage to Britain, if necessary.

When a Canadian going abroad is ready to carry in his baggage a sufficient supply of Kellogg's ALL-BRAN to cover his needs during his journey, he is indeed an enthusiastic booster for that product. Yet that is what was contemplated by Mr. J. H. Michols, of Winnipeg, who wrote to ask if ALL-BRAN could be secured in Liverpool, if not, he would carry his stock with him.

His letter stated that if he had to choose between One Million Dollars and ALL-BRAN he would "much rather do without the million." Mr. Michols realized that Kellogg's is the original ALL-BRAN—and a necessity in the permanent relief of constipation.

Kellogg's ALL-BRAN is guaranteed to bring relief in the most chronic case of constipation—permanent relief, if eaten regularly. Only ALL-BRAN can bring such 100 percent results. Eat at least two tablespoonsful daily; in chronic cases, use it with every meal. If relief does not follow, your money will be refunded.
