CALL FIREMEN'S PAY ROLL GOES THROUGH WITH BELYEA'S NAME

Former Saint John Man Is Named Secretary of Canadian Board of Trade

CHIEF VAUGHAN STATES CASE AT CITY HALL MEET

Finally Arranged That Mayor Sign Roll as it Stands

CONDITIONS ARE UNDER REVIEW

Commissioners Express Opinions on Situation That Has Developed

"I AM sorry to say that I have not had the support I expected from the Commissioner of Public Safety," W. S. Vaughan, chief of the fire department, said this morning while placing before the Council his side of the case in the controversy over the appointment of A. L. Belyea as a call fireman.

Commissioner Harding accused the other members of the council of not giving him the co-operation they might in his efforts to carry on the department and said that while they did most of the talking since he had been in the council they sat silent when he wanted their support.

MAYOR TO SIGN

After hearing from the Commissioner of Safety and Fire Chief, the council passed a motion that the pay roll of the call men be signed by the Mayor, as commissioner of finance, the motion being seconded by Commissioner Harding. During the discussion Commissioner Prink said it looked as though matters had reached a stage where either the chief or commissioner would have to sign the "recessional."

THE BELYEA INCIDENT

Commissioner Harding, at the opening of the meeting, said he had asked the chief of the fire department to come to the council and tell them why he felt it necessary to place the name of A. L. Belyea on the call roll as Mr. Belyea was an employee of the city. The commissioner said he did not think it wise to have him doing pay from two city departments and for this reason had objected to Mr. Belyea being on the call roll. The chief had been discussing the matter, through correspondence, for some time but as the report of the chief of the matter he thought it best to have the chief come before the council.

CHIEF'S STATEMENT

Fire Chief Vaughan said that in the summer of 1925 Mr. Belyea had come to him to know why his name had been removed from the roll of the fire company, and asking to be re-appointed. At that time he had told Mr. Belyea that he knew nothing about the matter as it had been done before he took office, and he possessed a keen intellect, which he had improved by a year or more but had been confined to his bed for only five weeks. The cause of death was valvular heart trouble.

SAMUEL N. BOGLE DIES IN EASTPORT

Native of Queens County and Leaves Brother in Saint John

The following from the "Eastport Sentinel" is of interest to many in this city:

"Genuine and widespread regret was felt here Thursday when it became known that Samuel N. Bogle had passed away at his home in Boynton street. He had been in poor health for a year or more but had been confined to his bed for only five weeks. The cause of death was valvular heart trouble.

"Mr. Bogle was born in Queens county, N.B., on Oct. 18, 1846, to James and Anne (Barnett) Bogle. In his more active years he was a school teacher and taught in St. George, at Deer Island, in Pembroke and in this city. He conducted a very successful private school here, which was attended by many who are now playing a leading part in the business affairs of the community.

"Mr. Bogle's wife was Isabelle J. Noble, of Charlotte county. She survives him with two daughters, Misses Vera and Amy, both graduate nurses, of Boston, and one son Frank, who holds a responsible position with a transfer company in the same city. He also leaves one brother, John, of Saint John, N.B.

"Mr. Bogle was a man of kindly and social nature. He possessed a keen intellect, which he had improved by an excellent education and wide reading, so that he could discourse interestingly and instructively on many subjects. He was quiet, a good husband and discharged well every obligation of a good and useful citizen.

"Funeral services were conducted at a late home Sunday afternoon by Rev. David Jenkins. The bearers were John Thompson, E. A. Dow, W. S. Cummings and Henry Davis."

NOT SERIOUS

Suspicious noises at 5:30 a.m. are not to be made light of. So thought the residents of 170 Queen Street when they phoned into police headquarters this morning. Policeman Phinney and Ross answered the call and quickly found the "culprit"—a gate in the rear of the premises, swinging in the stiff breeze that was blowing at the time.

THE PARSONS CASE

Detective Patrick Biddiscombe left last evening for New York to bring E. J. Parsons back to Saint John for alleged embezzlement. He is expected to arrive here on Saturday. Haycock, superintendent here of the Canadian Pacific Express Company, will leave this evening for Halifax to arrange for the handling of foreign traffic at that port, as many shipments from Europe are loaded on vessels which dock at New York and Boston. At times these shipments assume carload proportions. Mr. Haycock will return on Saturday.

Donald Clayton Has Fingers Torn and Loses Part of One In Dynamite Cap Explosion

Donald Clayton, aged 16, had three fingers of his right hand lacerated by the explosion of a dynamite cap in Fernhill cemetery this morning. The city ambulance service received a call from there at 10:30 and the youth was brought to the G. H. Hospital. The hand was dressed and he was able to return home. It was found that the first joint of one finger was blown off. In conversation with his grandfather, J. P. Clayton, superintendent of Fernhill, he said the lad was experimenting in the garage with a dynamite cap, thinking it was an electric buzzer. When he touched the two wires of the cap on a dry cell

battery the cap exploded in his hands. He is a son of Joshua S. Clayton, who died in the battle of Ypres, June 2, 1916.

Suffering from severe burns on his legs, William Bailey, six year old son of Mr. and Mrs. Frederick Bailey, 64 Erin street, is in the General Hospital. He had been in the kitchen with his two brothers on Monday and climbed up to get at some candy cooking on the stove. He took hold of a pot containing boiling water and dropped it quickly when he found the handle hot, and the boiling contents poured over his legs. His mother, who was upstairs at the time, heard his cries and hurried to his aid.
