## PRESENTATIONS AT ST. COLUMBA'S

Happy Evening Spent at the Christmas Entertainment of Sunday School.

There was a large attendance of teachers, scholars, parents and friends at the annual Christmas tree for the St. Columba's Presbyterian Sunday school in Fairville on Friday night. The beautifully illuminated Christmas tree was an object of admiration and the stage decorations, arranged by Teddy Campbell, were very effective. They showed a background of a miniature English castle with the blue sky above and the full moon shining behind the towers. This scene was nicely illuminated.

After an excellent entertainment programme there were many presentations. The young men of the church presented to the minister, Rev. W. M. Townsend, an electric reading lamp for the pulpit and from the choir members and a few appropriate words Rev. Mr. Townsend expressed his thanks.

Diplomas with silver seals, awarded by the General Assembly of the Presbyterian church in Canada were presented to those who had attained certain passages of scripture. Those receiving these were Alexander MacPherson, James Ewart, Allison Moore and Percy Hem, a Chinese student in her class who had made perfect attendance. Miss Sadie Coughle, organist, received a gift from the choir members and Mrs. Edward Duff, who had trained the children so efficiently for their parts in the programme, was given a remembrance from the choir members.

Mr. Townsend presented books as awards to the following teachers who had made faithful attendance at church and Sunday school, the Misses Margaret MacPherson and Muriel Green, Muriel Green, Muriel Green, Ruth Rose and Edith Rose.

Miss Margaret Long and Miss Margaret Ewart gave gifts to their pupils and Miss A. V. Townsend gave a book to each pupil in her class as all four had made perfect attendance and had memorized perfectly the scripture portions.

Santa Claus visited the school and nuts. The minister gave a short address at the close of the programme. The programme included the following items—Chorus, "Noel," recitations by Beale Semple, Percy Hem, Muriel Green, Maudie MacPherson and Annie Small; solos by Isabella MacPherson and Dorothy Spence; drill by fourteen girls; harmonica selections by Harold Wilson; three dialogues by pupils; reading by four girls; chorus by the school; National Anthem.

From Prince to Pauper.  
London—Prince Eugene Kotchoubov of the old Russian empire is insolvent and blames it on the Soviet Government. The prince, before the war, received \$50,000 annually. Now he works for a London merchant for five pounds a week.

Churning Chorus.  
London—English dairymaids can beat the world in the art of churning milk. It is claimed here. They have been proving it every day at the dairy shows in agricultural hall, where all previous attendance records have been broken.

**Mrs. B. W. Brown.**  
Point Lepreau, Jan. 4.—(Special)—Many friends have learned with regret of the death of Mrs. B. W. Brown at the home of her son-in-law, Wilson Snider, light-keeper at Point Lepreau. Mrs. Brown, a native of Nova Scotia, was 75 years of age and leaves to mourn her husband, a brother and sister, and seven children, three sons, Charles M. of Mac's Bay, Henry of Little Lepreau, and Fred of Fairville; and four daughters, Mrs. Crossman, of New York; Mrs. Duhon, of Little Lepreau; Mrs. T. T. McGowan, of Mac's Bay, and Mrs. Wilson Snider, of Point Lepreau. Charles James, of West St. John, is a nephew. The funeral service was conducted by the Rev. N. P. Fairweather, rector of Trinity church, and interment made in the Lepreau cemetery.

## GIFT PRESENTED TO PRESIDENT OF A. O. H. AUXILIARY

The annual election of officers of the Ladies' Auxiliary of the A. O. H. division No. 2 was held this week, with the following result: President, Miss Mary Ryan; vice-president, Miss Blanche O'Brien; recording secretary, Miss Ellen Malloy; financial secretary, Miss Dorothy Berry; chairlady of committee, Miss Agnes Calnan; mistress-at-arms, Frances Murphy; sentinel, Blanche Hamilton; chairlady of Irish History, Mrs. David Douglas; and at 10 o'clock on New Year's eve the auxiliary met at the home of Miss Ryan, Church avenue, Fairville, when a very interesting social evening was enjoyed. Mrs. Daniel Donovan presented to Miss Ryan a purse of money, on behalf of the members, who took this practical method of showing their appreciation for the faithfulness of their president. Games and music were enjoyed. As the New Year was ushered in with the blowing of horns and the ringing of bells all over the city and vicinity, greetings of cheer were extended to the hostess and each other, as the guests departed for their homes.

## Proof Positive

An old Scotch pilot professed to be able to tell the home port of any incoming vessel within a reasonable distance by what seamen still call "the cut of her jib," meaning thereby her general appearance. To test his powers, an onlooker called his attention to one in the far distance. The pilot gazed long and earnestly, and eventually pronounced her an Aberdeen boat. He proved to be right, and a chorus of surprised voices inquired how he knew. "No seagulls following her!" he said.
