

BLACK'S FIGHT WAY TO TROPHY

Win Bowling Pin in Sensational Finish.

Stirring Hours on Y. M. C. I. Alleys as Veterans Struggle for Mastery—Imperial Theatre, at Smoker, Presents Skating Meet Film to Institute.

Black's alley team won the Brunswick-Balke-Collender trophy tournament, held on the Y. M. C. I. alleys, by defeating Calais in the final match of the series, played last evening. The border town team finished the first string forty-two pins to the good and looked as if they had put the game on ice, but Black's rallied and gained back thirty pins in the second string and clinched the game in the third. Allan Beattie's high scores were largely responsible for the victory. The game was witnessed by fully 300 enthusiasts, who cheered themselves hoarse as the two leading teams struggled for supremacy, both having a large following of sympathisers. It was

a contest that will long be remembered and veterans of other tournaments say they have seldom if ever been through such a stirring fight as that of last night proved to be. Black's team, made up of A. W. Covey, Allan Beattie, Bruce Winchester, Thomas Jenkins and Thomas Wilson, captain, were roundly congratulated, as were the fighting five from Calais—Casey, Gillespie, Saunders, Rutherford and Norwood.

At the conclusion of the tournament a smoker and entertainment was held in the gymnasium, at which the contesting teams were guests of honor. Frank I. McCafferty officiated as chairman and presented prizes to the successful competitors.

The prizes for the highest single went to Anderson of the Houlton team and Noel Jenkins of the Y. M. C. I., both of whom hung up a mark of 128. The highest individual three-string prize was won by "Jimmie" Smith of Amherst, with 316 to his credit, while Brewer of Fredericton won the prize for the best individual average for the meet with a mark of 95 3-17. Norwood of Calais ran him a close second with 95 per cent. Black's hung up the high mark for team three-string, 618. The prizes were donated by Humphrey J. Sheehan, president of the Y. M. C. I.; Chas. A. Owens,

chairman of the physical committee; P. J. Fitzpatrick, and the Y. M. C. I. itself.

Following the presentations, addresses were given by H. J. Sheehan, Rev. William Duke, chaplain of the Institute; Mr. William Duke, chaplain of the Institute; Mr. Norwood of Calais and Allan Beattie of Black's.

Solos were sung by DeWitt Cairns and H. Gillespie, with Arthur Goddard as accompanist, and the latter also contributed enjoyable piano selections. Moving pictures were also shown by courtesy of Messrs. March and Golding of the Pathe Exchange. One of these showed the skating championships on Lily Lake last January. This film was presented to the Y. M. C. I. with the following letter sent by Walter H. Golding, manager of the Imperial, who was prevented by other engagements from being present:

"St. John, N. B., April 19, 1922.

"President and Members of The Young Men's Catholic Institute:

"Dear Friends:—As intimated previously we have intended all along that the reel of motion pictures taken at the time of the Canadian Amateur Skating Championships here under your efficient management should be handed over to you after their tour of the maritime provinces. We therefore send them to you herewith to be used as an historic pictorial of your successful meet. It is our sincere wish that you may promote many more such successful sporting tournaments, which do so much to help our

city and the cause of clean athletics. In all your efforts please count upon our hearty support.

"Yours faithfully,
"IMPERIAL THEATRE,
"Walter H. Golding, Manager."

This announcement was received with hearty applause.

In the course of his address, Father Duke complimented Black's and Calais and the other contending teams, and promised that the Y. M. C. I. fairly beaten this year, would be after the pin in 1923. He said the bowlers could make the sport whatever they wished, and counselled them to see that in their house leagues as well as in the championships the rooters all avoid personalities, so that the test of good fellowship and sportsmanship might prevail at all times.

Mr. Sheehan in a pleasing speech regretted that the late hour prevented several members of outside teams staying over for the smoker. He thought the championship had been won in a supreme test, and congratulated Black's for the fine victory they had won. The Y. M. C. I. last year's champions, with the other losers, he said, were consulting themselves with thoughts of next year's battle. He welcomed all to the Y. M. C. I.

It is a tribute to the good work of the official scorer, Murray Jarvis, that a complete record of the games, pinfall and averages and all was ready soon

after the last match had been rolled. The tournament was well conducted. The efficient referees were Isaac Day, E. D. Starkey, Harold Murphy, Gerald Keane and Thos. J. Fitzgerald. The pin boys also contributed good work towards the general success and Wm. J. Stack, manager of the alleys, was congratulated on the general efficiency shown in conduct of the tournament. The final scores were:—
