GAVE 20,000 MEALS TO TORONTO'S UNEMPLOYED IN MONTH OF JANUARY

More than 20,000 meals have so far been provided to the unemployed in Toronto by the Salvation Army. More than 100 men have also accepted the army's invitation to sleep on the floor in one of their halls. Destitute families were provided with 275 baskets of food during the month of January and in the same period 1515 pieces of clothing were given away to deserving applicants.

The Cost of War  
If but one soldier were to die, if but one mother's heart should break, if but one orphan it would make, and gained what all they clamor for, too great would be the price of war.

If all of Mexico were gained, and but one loyal voice were stifled, and but one foot of ground were stolen, with blood Americans had spilled, it still would stand throughout the years.

DOAN'S KIDNEY PILLS  
Are The Original Pill For The Cure Of Backache, Lame Back, Weak Back Or Any Other Kidney Trouble.

The fact that Doan's Kidney Pills are the original Kidney Pills has not prevented the placing of other preparations in pill form upon the market under the name Kidney Pills. It is necessary, therefore, that all wishing to secure the curative effects which have made Doan's Kidney Pills so popular everywhere, should see that the trade mark, the Maple Leaf, appears on the wrapper. Without this trade mark you are not getting the genuine Kidney Pills as originally placed before the people by Dr. J. C. Doan, as shown by the following declaration:

"I have used Doan's Kidney Pills for years, and I can say that they are the best pills I have ever used for the cure of kidney trouble. I have used them for my own family and for my patients, and I have never known them fail. I have used them for years, and I can say that they are the best pills I have ever used for the cure of kidney trouble. I have used them for my own family and for my patients, and I have never known them fail. I have used them for years, and I can say that they are the best pills I have ever used for the cure of kidney trouble. I have used them for my own family and for my patients, and I have never known them fail."

## CONDON &amp; TOOKES

Has Secured the Exclusive Selling For Oldest Established Shirt House in Canada

John P. Condon, of the Semi-ready Store, says:

"I have been asked several times by friends and customers about the R. J. Tooke line of shirts, collars and furnishings, and I have been particular to emphasize the fact that the R. J. Tooke concern is the big Montreal house which has been in the shirt making business for some 40 years."

"They have their factory in Montreal, but in order to keep in close touch with the requirements of their customers they conduct a retail department, and they do the largest exclusive men's furnishing business in America, which is some accomplishment."

"This is the Tooke line for which I have been given the exclusive selling right for St. John. The president of the R. J. Tooke Company, who was unfortunately enough to be in the I. C. R. wreck at Aulac, gave me the exclusive franchise to sell the Tooke line of shirts, collars and furnishings in St. John."

"I hope I make this clear," continued Mr. Condon, "as I do not want anyone to think that the exclusive line I am getting is just ordinary factory product. Anyone who has ever been in Montreal will know the dominating power of the R. J. Tooke shirts and collars in that city. Montreal laundrymen say that nearly 70 per cent of the shirts they iron are R. J. Tooke make."

RADIUM PATIENT DIED OF CANCER

Baltimore, Feb. 7.—Robert Gunn Brenner, member of Congress from the 7th New Jersey District, and editor of the Passaic Daily Herald, is dead of cancer in a local sanatorium, where he had been undergoing radium treatment since last December. He had been suffering from the disease for years. Mr. Brenner was 59 years old.

Mr. Brenner came to the sanatorium to try the radium, after physicians in this country and Europe had vainly sought to cure him. He had been suffering from the disease for years. Mr. Brenner was 59 years old.

From that time on, Mr. Brenner grew steadily weaker, although he, several times, rallied in a surprising manner, aided by his strong vitality and powerful will. In his last days of suffering Mr. Brenner still insisted that he would get well.

Mr. Brenner was a warm personal friend of President Wilson, who was kept constantly advised of his condition and who frequently sent him messages of sympathy and encouragement, accompanied by flowers.

Mr. Brenner was a native of Scotland, whence his family emigrated to Canada, when he was a youth.

Representative Henry Achin, Jr., of Lowell, is the author of the bill making New Year's a holiday. He said that last year the bill was defeated by a vote of 108 to 108 and that he had been since then working for its passage.

Representative Frank P. Allen, of Fitchburg, said that it is impossible to run the mills of Fitchburg on New Year's Day because the employees will not work. For that reason he believed the day might as well be made a legal holiday. Representative LeBeauf of Fall River said that the idea was strongly favored in his city and that he had been urged by his constituents to favor the measure. At the suggestion of Representative Achin those who came to register themselves in favor were asked to stand and counted. They did so and numbered 74.

George E. Mansfield argued for his bill in the House on Saturday, providing that professional baseball playing in cities on Sunday be authorized. He said that the bill was not acting for any baseball players and had not been advised by them. Games would not be allowed to begin before two o'clock in the afternoon and could therefore not affect church attendance. Twenty-five per cent of the receipts would be given to charity, under his bill.
