Waltham Watches

A solid gold watch of the justly celebrated Waltham quality and costing as little as \$23 seems incredible.

The case of the Waltham Marsh Patent is solid 14 Karat gold and its structure is such that you may depend upon it to be steadfast in its durability, its accuracy and its truly "Waltham" service.

There are Walthams for as low a price as will buy a good watch, and up to as high a price as any one should pay.

Write for booklet and general information.

AIR DOES WONDERS WITH GRAY HAIR

When you looked at yourself face to face in the mirror last night and saw the gray strands that you secretly wish that you knew of a way of getting rid of.

There are two ways of meeting this great hair problem. One can temporarily change the color by chemical staining.
