"PULMONARY CONSUMPTION arises from a de-
cline or deficiency of vitality in the natural bi-
oplasm or germinative matter: and this deficiency
manifests itself not only in a general wasting or
atrophy of the whole body, but also in a pecu-
liar degradation, chiefly in the lungs and lym-
phatic system, of portions of this bioplasm into
a sluggish low-lived, yet proliferating matter,
which, instead of maintaining the nutrition and
integrity of the tissues (which is the natural
office of the bioplasm) clogs them, and prelates
them with substance which is more or less
prone to decay, eventually involves them also
in its own disintegration and destruction."

To remedy this deficiency by sustaining the
vitality and sufficiency of the bioplasm, and
thus provide for the general building up of the
whole system is the office and design of RO-
BINSON'S PHOSPHORIZED EMULSION OF PURE LIVER
OIL WITH LACTO-PHOSPHATE OF LIME.
—Extracts of a letter from C. H. S. Cronkrite,
Esq.—

CANTERBURY STATION, YORK CO., N. B.,
October 10th 1876.

Mr. J. H. ROBINSON,
Dear Sir: In reply to your letter of enquiry,
I would say that your "Phosphorized Emulsion
of Cod Liver Oil with Lacto-phosphate of Lime,"
is the best preparation of the kind I have ever
seen or taken.

I was ordered by my physician to take it and
commenced about the last of August and since
that time I have felt like a different man, and
also look differently, and all for the better, as
the doctor can testify.
I was unable, in the summer, to walk any
distance without much fatigue. I can now
take my gun and travel all day, and feel first
rate at night and eat as much as any lumber-
man. Have not bled any since I took your pre-
paration, and can now inflate my lungs without
feeling any soreness, and I think I can inflate
them up to full measurement same as before I
was sick; have also gained in flesh, my weight
in the summer was 173 lbs, and now it is nearly
190 lbs, which is pretty well up to my former
weight.

The foregoing is a correct statement which I
am prepared to swear to, and I hereby author-
ize you to give it publicity in my name.

I am, dear sir, yours truly,
(Signed) C. H. S. CRONKRITE.

We, the undersigned, hereby consent to have
our names published as witnesses to the effects
of "Robinson's Phosphorized Emulsion" on the
person of Mr. Cronkrite, and do assert that the
foregoing statement is correct in every particu-
lar.

WILLIAM MAIN,
REV. THOMAS HARTIN.
