

Article 8

Fees for International Application and Registration

(1) The Office of origin may fix, at its own discretion, and collect, for its own benefit, a fee which it may require from the applicant for international registration or from the holder of the international registration in connection with the filing of the international application or the renewal of the international registration.

(2) Registration of a mark at the International Bureau shall be subject to the advance payment of an international fee which shall, subject to the provisions of paragraph (7)(a), include,

- (i) a basic fee;
- (ii) a supplementary fee for each class of the International Classification, beyond three, into which the goods or services to which the mark is applied will fall;
- (iii) a complementary fee for any request for extension of protection under Article 3^{ter}.

(3) However, the supplementary fee specified in paragraph (2)(ii) may, without prejudice to the date of the international registration, be paid within the period fixed by the Regulations if the number of classes of goods or services has been fixed or disputed by the International Bureau. If, upon expiry of the said period, the supplementary fee has not been paid or the list of goods or services has not been reduced to the required extent by the applicant, the international application shall be deemed to have been abandoned.

(4) The annual product of the various receipts from international registration, with the exception of the receipts derived from the fees mentioned in paragraph (2)(ii) and (iii), shall be divided equally among the Contracting Parties by the International Bureau, after deduction of the expenses and charges necessitated by the implementation of this Protocol.

(5) The amounts derived from the supplementary fees provided for in paragraph (2)(ii) shall be divided, at the expiry of each year, among the interested Contracting Parties in proportion to the number of marks for which protection has been applied for in each of them during that year, this number being multiplied, in the case of Contracting Parties which make an examination, by a coefficient which shall be determined by the Regulations.

(6) The amounts derived from the complementary fees provided for in paragraph (2)(iii) shall be divided according to the same rules as those provided for in paragraph (5).
