Special Notice to Subscribers.

Refering to the notice published in the last three sense of the ADVANCE announcing my intention of placing overdue suscription accounts in the hands of a collection arenny, I beg to state that quite a number of the patrons of the ADVANCE have written requesting that I defer such action in their case for a few days, when they will settle. There are also a large number who owe more than one year's subscription—some of them several years in default—who have let the notice pass unheeded. To all, I now beg to say that I defer until 1st February the carrying out of my intention to transfer the collection of their accounts to an outside agency, in the hope that they will make direct settlement with this office.
