

Courage Brother and Sister!

Paine's Celery Compound

IS ABLE TO RESCUE AND SAVE
THOUGH DISEASE AND SUFFERING
MAY BE DRAGGING YOU DOWN TO
THE GRAVE.

While Paine's Celery Compound with promptness and certainty cures the ordinary ill of life that people suffer from in spring time, its medicinal virtues and powers are far-reaching enough to banish disease and suffering even after the sufferer has been pronounced incurable by his or her physician.

Paine's Celery Compound has, according to the honest testimony given by hundreds of well known Canadian people, dragged them from certain death at the eleventh hour, and blessed them with a new lease of life. Mrs. Louisa Warner, of Montgomery, N. W. T., writes thus:

"For some years past my nerves and system were almost wrecked by narcotics, used to alleviate pain. The doctors could not help me, and I thought I would forever have to remain a slave to deadly drugs. I often longed for death as a release from my sufferings. After enduring agonies that were terrible, I determined to try Paine's Celery Compound, without any full hope that it would cure me. When I had used a part of the second bottle, I thought it was doing me good; I could sleep well, and did not faint so often, and I decided to continue the use of the medicine. After the use of fifteen bottles, I am completely cured. I feel so strong and well now, and have such perfect health, that I sometimes think it is too good to be true. For the benefit of thousands of poor sufferers from disease and the deadly effects of narcotics, I give my statement—an assurance that Paine's Celery Compound will cure them."

"What makes you late?" asked his mother.

"The teacher kept me in because I couldn't find Moscow on the map of Europe," replied Johnnie.

Mother—"And no wonder you couldn't find Moscow. It was burned down in 1812. It's an outrage to treat a child that way."

"Are you an old sea dog?" asked four-year-old Bobby of his sailor uncle whom he had just met for the first time. "Yes, that's what they call me," was the reply. "Well, then," continued Bobby, "let me hear you bark."

Grump: "Do you call this steak fit for a Christian to eat?" Walter: "We haven't anxious about de religion of our customers, boss."—Selected.

Nell (excitedly): "Here's a telegram from Jack Punter of the 'Varsity team.'" Belle: "What's it say?" Nell: "It says: 'Nose broken. How do you prefer it set, Greek or Roman?'"

Clerk: "Perhaps you'd like to look at some goods a little more expensive than these." Shopper: "Not necessarily, but I would like to look at some of better quality."—Philadelphia Press.
