AN OLD SCHOONER.

Portland, Me., Aug. 21.—The packet schooner Susan Frances, now taking on cargo at Widgery wharf, is certainly an old timer. She was built at Wells 72 years ago and has been in active service ever since. Notwithstanding her advanced age her timbers are yet sound and she is apparently able to round out a century. She registers 47 tons and has the old-fashioned blunt bow, but ias fall her owner, Ed. Burnham of North Cutler, had her hauled on the beach and her stern rebuilt. Last season her owner was obliged to pay \$40 for having her towed up the Kennebec to Gardiner, which set him a thinking and he has just had her fitted out with two 10 hoose power engines, the expense of running which Capt. Randall says is but trifting compared with what he has been obliged to pay for towing in former years.

QUALITY FIRST

Crowd.

Salem, N. H., August 21.—Walter Cox, before a crowd of sixty thousand persons, made one of the best drives of the year at Rockinsham Park to day, winning the "Granite Stake," valued at \$5,000, with Lady Grattan. Lou McDonald outstepped the field in the opening heat with Tommy Horn, though Cox brought Lady Grattan up to a close finish, the first three horses being lapped at the wire. Tommy Horn led the second heat till right to the wire, when Cox nipped him with Lady Grattan. Geers was a length back with Reusens. Lady Grattan led all the way in the third heat. Reusens was breaking and running the last twenty yards, but the dial heat Lady Grattan broke soon after getting the word, Reusens taking the lead in the back stretch. In the last furlong Cox challenged Geers and fairly outraced him.

Tommy Murphy, of New York, never won a cheaper race than the pacing division of the American Horse Breeders' Futurity, with Tilly Tipton, White Homer Baughman and Ella K. R., took \$387.05 cach.

Bill A. was the pick of the slent for the 2.20 trot, but Allie Merrifield, of Baltimore, had no trouble in annexing first money with Bon Ton. Cochato Maid, Baron Sidnut and Lady Watts took turns in finishing in second place.
