Marlboro, Mass., Oct. 23.—Thomas W. Lawson, the Boston financier and independent candidate for United States senator, was injured when his limousine was overturned on the state road in Northboro late today. He was brought to a hospital in this city. Hospital authorities refused to say how badly Mr. Lawson was hurt.

Thomas W. Lawson is too well known to require a sketch at this time. He was born near Boston, the son of a Nova Scotia carpenter. For about ten years his private secretary was Edward McSweeney, a nephew of Senator McSweeney of Moncton. Mr. Lawson has visited the Maritime Provinces on several occasions. He has made and lost fortunes since he became a specularor. Some of his property at times has been advertised for taxes, but he is still a wealthy man.

Typical German Specimen

London, Oct. 23.—(Canadian Press Despatch from Reuter's Limited)—Referring to the Berlin telegram which stated that a neutral commission under the direction of Baron Von Der Lancken had been appointed to go to the front and investigate the accusations regarding wanton German devastation, the Daily News says that the selection of Von Der Lancken, head of the political department at Brussels, is extraordinary when it is recalled that he played a leading role in the murder of Edith Cavell.

It was Von Der Lancken who ignored the American minister's representations and refused to allow Miss Cavell to receive a visit from a Belgian lawyer. It was Von Der Lancken to whom Mr. Whitlock made his moving appeal to "save this unfortunate woman from death."
