

"SUNDAY BEST"

The days are returning when "everybody kept his best for Sunday."

It's a good thing. The idea is to make things last. Good clothes will cost more before they cost less, and the old fashioned way of having something in reserve, helps.

No use buying cheap stuff; doesn't wear.

One good suit outlasts two cheap ones every time!

How about a dark mixture, or a blue or a grey for your "Sunday best?"

RESTIGOUCHE REJECTS HEALTH ACT

County Council Doesn't Believe in Laying Hands on the Government Child.

Special to The Standard.
Dahoune, N.B., Jan. 23.—The Restigouche County Council yesterday voted down, by a vote of eight to six, the new Health Act on motion of Councillor Montgomery, seconded by Councillor Archibald Murchie, on the ground that the government, being father to the child, should not be hindered in the working of the act by any person other than by its own appointees. Mr. Arthur T. Leblanc, Mr. M.L.A., addressed the council on the excellency of the act. During the discussion Dr. Desmond, District Health Officer, was on hand to railroad the voting of estimates through the council, announced on the part of the government that it had Dr. A. G. Ferguson as its old local board, a few years ago because of the prejudiced manner in which he had been performing and not performing his duties.

On the announcement that Dr. Ferguson had been chosen, Councillor Montgomery stated to the council that he had been assured that Dr. Ferguson had refused to report conclusions reached to the Chairman of the Local Board, and had even refused to report to Dr. Desmond. The latter admitted that he was aware of that fact, but added that Ferguson had reported to Dr. Melvin at St. John. Questioned by Councillor Montgomery if he thought the disease could not be more effectively dealt with if reported to the chairman of the local board, Dr. N. Doucet, Dr. Desmond was dumb.

When the Patriotic Account came up in the Municipal Council yesterday, there was considerable discussion as to the amount assessed over and above what the Patriotic Committee of Ottawa had asked for, and as to what the local government intended to do with the surplus which was, without a doubt a direct taxation, and the first move in that direction by any government.

After a lively debate Councillor Montgomery moved that the account pass, provided that the Provincial Government use the \$75,000 patriotic fund in their hands to pay the salaries and cost of administration of their new Health Act, claiming that it was patriotic to protect the health of the public, and that it was the only legitimate purpose to which they could apply the money which had been assessed over and above the amount required for the fund. They could thus give their act a fair trial without putting any further burden on the people. The resolution was carried by a vote of eight to six, the warden voted.

HAD ENJOYABLE TIME.

At Bond's on Monday evening last, Victor Scott, chairman of the St. Luke's Church Musical Committee, entertained his committee, the Rector, Rev. R. P. McKim and Mrs. McKim, and the Church Choir, at dinner. Covers were laid for about fifty-five and an enjoyable evening was spent. Mr. Scott presided, and after the repast was partaken of the evening was spent in music and speeches. Songs were sung by Mrs. A. G. Brown, Mrs. Leslie Watters, Mrs. Stepler, Miss Hathaway, Miss Craft and the Messrs. H. Marley, Donison and W. A. Smith. Speeches were made by the Rector, the Vestry Clerk, H. D. Martin, and the Choirmaster, H. W. Brownfield. A Brunswick gramophone and an orchestra added much to the pleasure of the guests, and one of the most delightful gatherings the choir has known was brought to a close by the singing of the National Anthem.

THE RECALL CASE.

In the supreme court chambers yesterday morning before His Honor Chief Justice Sir Douglas Hazen, counsel appeared in the matter of an application on the part of Jacob N. Tobin for a writ of quo warranto and also for a writ of certiorari to have the elections of Commissioners Thornton and Jones set aside. When the matter came up for hearing this morning Dr. W. B. Wallace, K.C., and W. R. Scott appeared in behalf of the application, and Dr. J. B. M. Baxter, K.C., on instruction from the City of St. John, appeared on behalf of Messrs. Thornton and Jones, and also for the common clerk of the city. The question arose as to whether the Chief Justice had the jurisdiction to grant a writ of quo warranto, and it was decided by counsel engaged to withdraw the present application and to take the matter to Fredericton and have the argument before the court en banc.

ROTARIANS DINE.

A splendid dinner was prepared by the Salvation Army officials at the No. 1 Citadel last night when over 60 members of the Rotary S. A. Drive committee gathered to discuss the plans for today—the big day of the drive. Excellent addresses were delivered by Rev. E. P. Loose, chairman of the campaign committee and other prominent workers and the greatest enthusiasm was evident. Heartly applause greeted the statements that Campbell is going well over its objective, and that Amherst, Moncton and Charlottetown will be well over their respective objectives by noon today.

MAJOR MORGAN SPOKE.

A large audience listened to a good speech last evening at the Empress Theatre, delivered by Major Morgan, of the Salvation Army Appeal. The committee who have had this work in charge are most grateful to the management of the Empress Theatre for permission to speak before the audience. The speeches have been well received on all occasions.

ROTARY CLUB WAGER.

H. M. VanBockirk, president of the Charlottetown Rotary Club, has placed a wager with the St. John Club to the effect that the Charlottetownians will go sooner and higher over their S. A. Drive objective than the locals. R. D. Campbell has accepted the wager and all the local Rotarians are behind him to help win the bet. The local objective is \$25,000 and that of Charlottetown \$7,000.

DISCUSS BETTER FOREST PROTECTION

Minister of Lands and Mines Wants C. G. R. Placed Under Ry. Commission.

Fredericton, Jan. 22.—The Advisory Board of the department of lands and mines met this afternoon, all members being present and discussed the work of the department for 1919. Much attention was given to administrative work, but there was little in connection with it for publication. The location for look-out towers and the construction of telephone lines to be used in fire fighting, will be undertaken. The report on the past year's work will be published in the crown land report.

Hon. E. A. Smith, minister of lands and mines, and Mr. G. H. Price, chief forester, will go to Moncton next week to attend the annual meeting of the Canadian Forestry Association on the 28th and 30th instant. The minister will also go to Ottawa, where he will confer with the minister of railways.

As announced previously, one of the matters which will be taken up will be the desirability of placing the Canadian National Railways under the Railway Commission as far as concerns the important matter of protection of forests from fires. In New Brunswick, 1091 miles of railway are under the C. N. R., of which 134 were taken over this year. A large area of forest lands is appropiated by these railway lines and adequate fire protection is urgently needed.

The C. P. R. and other lines are under the Railway Commission, and the first along their line during the past year were most efficiently handled.

POPULAR TRAVELLER DIED YESTERDAY

Percy McCabour of G. E. Barbour & Co. Was Only '11 One Week—Death Due to Pneumonia.

Numerous friends in the city, and throughout the province, will learn with deep regret of the death of Percy McCabour, of this city, who died last evening at his home, 130 Charlotte Street, after an illness of but one week's duration. Deceased contracted the dreaded influenza a short time ago, which developed into pneumonia, causing his death, in spite of the best of care and treatment given him. He was city traveller for the George E. Barbour Company, and through the medium of his business relations was brought in contact with many business men of the city and province, who found the deceased to be honest and upright in every feature, and will indeed sympathize with the bereaved relatives in their great bereavement. Deceased was only thirty-four years of age at the time of his demise, and was snapped off in the very prime of life, with a brilliant future before him.

He is survived by his wife, formerly Miss Shellington, of Silver Falls, and by two sisters, Mrs. Downey, Lorneville, and Miss Annie, residing at home; four brothers, Walter in the employ of the Canadian Pacific Railway Company; Arthur W., the popular young driver of the City Ambulance; Stuart, in Boston, and Roy of this city.

Deceased was a son of David and Mrs. McCabour, of Lorneville. The funeral will be held this afternoon from his late residence at two-thirty o'clock.

Malin-Mable.

A pretty wedding was solemnized at St. Luke's church yesterday afternoon at five o'clock when the rector, Rev. R. P. McKim, assisted by Rev. W. H. Sampson, of St. George's church, West Side, united in marriage Miss Blanche E. Mable and Sydney F. Malin. The bride was given away by her father, a heavy blue suit with black picture hat and corsage bouquet of roses. The happy couple left on the Maritime express for a trip through the provinces. On their return they will reside on Waterloo street.

TWO ARRESTS MADE.

Two men under the influence were gathered in by the police last evening. They will appear this morning to answer the charge.

Pimples Broke Out All Over Face, Arms and Neck.

Pimples are a sure sign that the blood is not in its proper shape. While the skin is the seat of the irritating, unsightly pimples, the real disease is in the blood. Medicated lotions and powders may delay the itching and irritation, but never cure, no matter how long and faithfully continued, and the condition is often aggravated and the skin permanently injured by their use. The disease is more than skin deep; the entire circulation is poisoned. Burdock Blood Bitters quickly and effectually cures blood and skin troubles, because it goes direct to the root of the disease and stimulates and restores normal, healthy action to the different organs, cleanses and enriches the blood, and thus relieves the system of all poisonous secretions. B. B. B. cures permanently because it leaves none of the original poison to ferment in the blood and cause a fresh attack.

Miss E. M. Davidson, Dayland, Alta., writes:—"Last summer I was greatly troubled with pimples breaking out all over my face, arms and neck. I was advised to try Burdock Blood Bitters, and after taking two bottles, the pimples had almost all disappeared. I shall always recommend this remedy to anyone afflicted with skin troubles." B. B. B. is manufactured only by The T. Milburn Co., Limited, Toronto, Ont.

GRATUITIES NOT UNDERSTOOD

No Truth in Statement That War Service Gratuities Will be Paid to War Widows.

Ottawa, Jan. 22.—There is absolutely no truth in the statement appearing in certain newspapers, that the war service gratuities payable to men of the C. E. F. on retirement or discharge, will also be paid to war widows, dependents and next of kin of soldiers killed in action, or of wounds. The next of kin of deceased soldiers are provided for under the pension regulations.

The order-in-council does, however, make provision for payment of the gratuities to the dependents of a soldier who dies subsequent to his discharge or retirement, and before his dependents have received any part or the whole of the gratuities. It states that if these survive him, dependents who would have been entitled to a portion of the gratuity equal to separation allowance, the portion of the gratuity unpaid at the time of his death shall be payable to such dependents. In the case of a soldier who has no dependents entitled to separation allowance, and who dies subsequent to discharge before receiving any or all of the gratuity, the portion of the gratuity unpaid at the time of his discharge shall not become payable.

MERCHANT MARINE NOT FOR GOVT

Disaster Predicted as Certain to Follow Continued Government Operation of the Merchant Marine.

Washington, Jan. 22.—Disaster was predicted as certain to follow continued government operation of the Merchant Marine, now built and built by Charles Page, member of the shipping board, today at the opening session of a merchant marine conference here to discuss the future of American shipping.

Less than any other business, in my opinion, does the shipping operation have the decided inflexibility of the Merchant Marine, now built and built by Charles Page, member of the shipping board, today at the opening session of a merchant marine conference here to discuss the future of American shipping.

QUESTION FOR CREDENTIAL COM.

Will Have to Determine Status of Proposed Irish Delegation to Peace Conference.

Paris, Jan. 22.—Although no official notice has been received that the committee named by the Irish parliament in Dublin, yesterday, comprising Count Plunkett, Professor Edward DeValera and Arthur Griffith, was coming to Paris to present the claims of Ireland to self-determination at the peace conference, it has already been determined that, if the delegation secured passports, its application for admission to the conference to represent Ireland as an independent nationality will be passed upon by the committee on credentials, under the rules.

This commission is sole judge, finally, on all applications for admission to the conference, although possibly an appeal might lie to the full conference in certain circumstances. Thus far the credential committee has held no meetings, but as it is anticipated that there will be a flood of applications from minor nationalities or races, it is the intention of the committee to hold a meeting shortly for the purpose of adopting a code of rules to be followed.

DESIRE LARGER REPRESENTATION

Premier of New Zealand Thinks His Country is Entitled to More Than One.

Paris, Jan. 22.—W. F. Massey, premier of New Zealand, and Sir J. G. Ward, minister of finance of New Zealand, arrived in Paris today. They expressed disappointment at the decision of the supreme council to give the country only one delegate to the Peace Conference. The New Zealand ministers represent two different parties in New Zealand politics, and both wish to be present at the conference. They said they would endeavor to have the decision changed so that both could attend the peace sessions.

Hosts of friends of Mrs. E. C. Phelan, 45 Elliot Row, will be pleased to hear that she is improving in the General Public Hospital after having lately undergone a serious operation.

CRITICIZED THE LOCAL GOVT

G. W. V. A. of Sussex Don't Take Kindly to Foster Government Appointments.

Sussex, July 21.—The second annual meeting of the Kings County branch of the Great War Veterans' Association was held in its rooms in the Empire block, Sussex, on Monday evening last, Major Guy S. Kinnear, president of the association, occupied the chair.

The following officers were elected for the ensuing year: Major G. S. Kinnear, president; Lieut. Geo. B. Hallett, M. G., 1st vice-president; Capt. S. J. Goodfellow, 2nd vice-president; Lieut. Frank Armstrong, M.C., secretary-treasurer. Executive committee, with power to act—J. L. MacFarlane, S. L. March, Frank Sprague, Halley McArthur, Lieut. Sterling Hall, Major S. S. Wetmore.

Capt. S. J. Goodfellow, auditor. Resolutions were passed protesting against the discontinuance of the railways of half fare vouchers, and of the action of the Sussex town council who recently refused to support the application of a returned soldier in the appointment of an assessor.

A strong resolution was passed condemning the action of the local government in appointing Mr. F. E. Sharp to the position of superintendent of immigration in view of the fact that so many overseas men who had seen service at the front were available for the appointment, and a copy of the resolution was ordered to be forwarded to Premier Foster with the request that during the period of reconstruction that all appointments made by the government should be given to those who had seen service overseas, when suitable men could be obtained.

A vote of thanks was passed to the ladies of the Soldiers' Comforts' Association for a donation of \$50.

MONARCHISTS ARE MAKING PROGRESS

Former King Manuel of Portugal Takes Refuge on Steamship off Lisbon.

Paris, Jan. 22. (Havas).—Former King Manuel of Portugal is at present on board a steamship off Lisbon, according to a despatch from Madrid. The Madrid says that Manuel has left London for an unknown destination. The monarchist movement in Portugal, according to advices received here, appears to be making progress. A monarchist proclamation was read at Valencia-Do-Minho, in the presence of the garrison. The Republican flag was then torn down and burned, and the monarchist flag hoisted in its place.

McADAM

McAdam, N.B., Jan. 22.—Mrs. J. S. Minchew, of Debec, was the guest of Mrs. C. R. Fitzsimmons, McAdam, on

Jan. 20th and 21st, having come here to meet her son, Lieut. Robin Goss, who was formerly employed in the Dominion Express office at this place. He enlisted nearly three years ago in the 20th Sydney Field Battery, passed unscathed through many bloody engagements, and by his ability and bravery, had just won his commission at the time the armistice was signed. His many friends extend to him a warm welcome, and their best wishes that the same success may come to him in the peaceful pursuits of civil life, as he has attended him upon the field of honor.
