

The Mite Society

Is an organized effort of our young people to help in reducing, and, if possible, removing the debt on our church building. For this laudable object it has paid in to the Treasurer, (collected in small amounts), during the year, \$240.00. May not the women and children all give to this without in the least taking from the larger effort of the congregation?

Young People's Society of Christian Endeavor.

This Society was organized nearly two years ago. Its object is "to promote an earnest Christian life among its members, to increase their mutual acquaintance, and make them more useful in the service of God." The work of the Society centres in the prayer-meeting which is held in the class-room of the Church every Friday evening.

This meeting is well sustained and has been a means of great blessing to not a few of the members.

Since the New Year a Sunday evening meeting has been conducted under the auspices of the Society, with the special object of praying for the blessing of God on the preaching of the word by our beloved pastor, and for a revival of religion in the congregation. This Sunday evening meeting affords an opportunity to attend prayer-meeting to those who, from the pressure of business or other engagements, are unable to attend the week evening services.

All members of the congregation who are anxious for an outpouring of the Spirit on our young people are earnestly invited to this meeting.
