The greatest pleasure in life is love; the greatest treasure, contentment; the greatest possession, health; the greatest ease, sound sleep; and the best medicine Shoshonees.

He cannot be an unhappy man who has the love and smile of woman to accompany him in every department of life.

If you meet a young lady who is not very shy, you had better be a little shy yourself.

A Quaker lady advised her son, who was a doctor, to enlist with the rebels if he wished to aid the Union; "for," said she, "these will kill more than these cures."

A paper advertises for "girls for cooking." We like them raw.

Forgiveness is the odor flowers breathe when trampled on.

Tying a slow horse to a post will make him fast.
