

THE OUTLOOK, MIDDLETON, NOVA SCOTIA

TO SEARCH FOR TREASURE IN FAR NORTH

Five men from Hull, England, all unmarried and of ages ranging from 22 to 59, sailed from Liverpool recently by Canadian Pacific S.S. Montclair on the quest of a rich vein of silver, said to be hidden in "No Man's Land" of the Great Northwest. The mine is claimed to be the property of the Mackenzie River, District of Alaska, and is located in a cliff hundreds of miles from civilization. The last port before striking the trail will be Wrangell, Alaska. The party is led by John Riley, engineer, aged 59, who had much experience in the Klondike gold region. The rest of the party are Thomas Thompson, sailor, aged 38; Joseph Millard, jeweler, aged 22; Robert Flemming, engineer, aged 35, and Ernest Starks, confectioner, aged 35. When they find the mine, they will take it and return to England to form a company for its development. As they passed through Saint John, N.B., the party was full of confidence and hope to return to the Old Country by next October.

**New Strength
For Weak Girls**
CAN BE HAD THROUGH THE
RICH, RED BLOOD MADE BY
DR. WILLIAMS' PINK PILLS.
There comes a time in the life of almost every girl when weakness attacks her. The strain upon her blood supply is too great, and there comes headache and backache, loss of appetite, attacks of dizziness, heart palpitation, a constant weariness and a tendency to decline. All these symptoms may not be present in any particular case, but the presence of any one of them shows the necessity for prompt treatment. And the very best treatment is through the blood-making tonic qualities of Dr. Williams' Pink Pills. They are the one thing needed to maintain the health of growing girls and women of mature years.
Here is a bit of strong proof:—
Miss Matilda Breen, King Highway, Newcastle, N. B., says:—"I was in an extremely run-down and nervous condition. I was losing flesh, had a poor appetite, always pale, and suffered frequently from headaches. In fact my condition can be best described as miserable. I had tried several treatments but they did not help me in the least. Then, reading one day about Dr. Williams' Pink Pills, I decided to try them. After using three boxes I was much improved, but continued until I had taken six boxes and with the result that I am now well and strong, with good color and a hearty appetite. In view of what Dr. Williams' Pink Pills have done for me I cannot recommend them too highly."
You can get these Pills from any medicine dealer, or by mail at 50 cents a box from The Dr. Williams' Medicine Co., Brockville, Ont.

OBITUARY
Joseph Lightizer
Kingston, April 30—Joseph Lightizer, one of the oldest residents of the district, passed away at Green wood, near here, on Monday last at the age of 91 years. Deceased, who had spent all his life in the neighborhood, had been burned out of his home on two occasions, as well as having his other buildings destroyed.
For many years he carried on the farm known as the Lightizer Home- stead, near Claremont Corner, and while fighting the fires that threatened his property on two occasions, received serious injury to his eyes, which later made him totally blind. For some time past he had lived with a nephew, where he passed away. A son and a daughter survive, the son being Outhit Lightizer, of Millville, near Aylesford, and the daughter is Mrs. Handley Pitcher, of Waterville.

It is funny how some people discover the great importance and value of their local newspaper when they get into a scrape. They live for years without subscribing, and when asked to advertise say "I don't pay." But the minute they get into some trouble things look different, and they cannot get to the editor quick enough to ask him not to say anything about it in the paper. Why
