To Make Home Pretty and Attractive

is the wish of every lady. Perhaps we can help you a little by improving some unsightly arch, a nice piece over a bay window, a screen for a stairway, a cozy corner, a handsome stationary or folding screen. The expense will not be much and would add greatly to the appearance of the rooms. We make these in Moorish fret work, Japanese fret work Scroll or Grille work, all combinations of the different styles and makes, finished in any kind of wood desired.
