# Letters

### To the Gazette:

Recently, students may be wondering about the bit of mail they have received concerning a student health program. In this package, they received a brochure, "University Health and Accident plus Life", a brochure for \$10,000 student life insurance program, a covering letter from John W. Ingle, an orange prescription drug claim form

and the individual student's certificate, or policy, card and number. Unfortunately, many students threw the whole package away because of the life insurance promotion. Those items that are of greatest value to the student are certificate, with your policy number on it, the brochure explaining exactly what the plan is about, the sample claim form and the covering letter. If any student has

disposed of these, they should write to:

University Health and Accident plus Life  
John W. Ingle  
Director  
710 Bay St.,  
Toronto M5G 1N4

They will send another certificate for you to keep.

Yours sincerely,  
**John Murphy**
