ATTENTION ONTARIO STUDENTS!!

OSAP Personal Living Allowance

OSAP students received a letter dated December 19, 1997, regarding the reassessment of your OSAP loan as a result of a correction to the personal living allowance.

The ministry recognizes that this reassessment may have resulted in changes to the amount of loan that you are entitled to receive. In recognition of the fact that the reassessment may have created financial hardship as a result of financial commitments that you made at the beginning of the study period, the ministry has developed a Personal Living Allowance Review. Your actual living costs, subject to the living allowance established for the province of Ontario, may be used in a reassessment of your OSAP entitlement.

You can also submit the completed form via facsimile at (807) 343-7278. Your complete submission must be received at the Student Support Branch three weeks before the end of your study period in order for you review to be considered.

If you have any questions about this issue, please contact Cathy Michaliuk at (807) 343-7266.
