

one, is another of his fictions, as Swell knows
 they went there to shake to the Moravians
 about the sale of part of their Township, and
 as to the Articles in the Store, Ed. told him
 that some, such as Linen, would not be found
 as they were struck out of the requisition for
 the year, & that Lucas informed by one of the store
 keeper General Department, that Articles was ordered
 to be returned to Lower Canada.
