

PLACE	DATE	TIME	SUMMARY OF EVENTS	SHEET 1, PAGE 2	REFERENCE TO APPENDICES
Uplands, Ontario	7 Jan. 1943		Clear. R154054, LAC Derbyshire, K., whilst taxiing Harvard Aircraft 3021, allowed aircraft to run off runway into deep snow thereby causing it to nose up. Propellor blades damaged slightly. No injury.		
	8 Jan. 1943		Clear. R136256, Sergeant McCabe, C., authorized a flight of one hour's duration for he and his student GB1289506, LAC Voss, M. Aircraft crashed in the vicinity of Kars, Ontario. Both occupants killed instantly. Cause obscure. Investigating Officer appointed and report submitted to Air Officer Commanding, No. 3 Training Command.		
	9 Jan. 1943		Ground haze in morning - clearing later. Flying for most of the day.		
	10 Jan. 1943		Clear to partly overcast. Divine Services were held in the Recreation Hall this morning.		
	11 Jan. 1943		Low overcast - occasional light snow. Flying for part of the day only.		
	12 Jan. 1943		Overcast with snow to clear. Only fair flying weather.		
	13 Jan. 1943		Clear to partly cloudy. R154084, LAC Murray, H.C., whilst taxiing Harvard Aircraft AH189 turned off runway into deep snow, thereby causing aircraft to nose up. Propellor blades damaged slightly. No injuries.		
	14 Jan. 1943		Overcast to light snow. An Inter-Service dance was held by the Women's Division personnel in the Recreation Hall tonight, with approximately seventy members of the C.W.A.C., W.R.C.N.S., from Ottawa, and R.C.A.F.(W.D.) from Air Force Headquarters and Rockcliffe, as their guests. Several hundred Station personnel attended the dance and had a most enjoyable evening. The R.C.A.F. Orchestra from Rockcliffe provided the music.		
	15 Jan. 1943		Snow showers. Poor flying weather.		
	16 Jan. 1943		Heavy snow to overcast. Very little flying due to the bad weather.		
	17 Jan. 1943		Clear to slight haze. Divine Services were held in the Recreation Hall this morning.
