Mr. Walter Arnold,  
President, The Port Arthur Liberal Association,  
Port Arthur, Ontario.

Dear Mr. Arnold:

I appreciate very heartily the message of congratulations received from you on behalf of the Port Arthur Liberal Association, at the time of my appointment as Leader of the Liberal Party of Canada. You will understand, I am sure, the circumstances which have made it difficult for me to send an earlier acknowledgment.

I should be obliged if you would convey to the members of the Association, my grateful appreciation of their confidence and of their assured support in the advancement of Liberal principles.

Yours sincerely,
